Early Release for Students

Dear JFS families,

The groundhog spoke a couple of weeks ago and said there would be six more weeks of winter. We live in New England and although many of us have spring fever and are dreaming of tropical climates, we know that the winter weather can often last well into March.

We have spent the last six weeks enjoying lots of Winter Fun each week; from snowball target practice, to winter hikes and snowshoe adventures, to snow creature creations, to snow art, and finally this week snow fort building, we are making the most of the winter weather!

We partnered with Memorial Hospital's 5-2-1-0 Let's Go and the Winter Kids Winter Games program to get more fun activity ideas and therefore our students and staff were entered into their raffles.

We are excited to announce that Rhythm P. from 5th grade was a JFS winner from a Winter Kids raffle. She won Superio Snow Molds/ Snowman Making Kit, a DownHill Racer sled, and a gift card! All JFS students were entered into the raffle and she was the lucky winner from JFS thanks to Winter Kids, Winter Games!

Check out our Facebook page to see pictures from our 6 weeks of Winter Fun!

Best,  
Mrs. Danielle Nutting
