Storyland

**May 14**

Remote Instruction Day

**May 28**

Early Release for Students  
12:30 pm dismissal

**May 31**

Memorial Day  
No School

Dear JFS families,

We hope that the next week provides you with some enjoyable family time. I can't believe when we return we only have 30 school days left of the 2020-2021 school year. As more than  $\frac{3}{4}$  of the year draw to a close it is a wonderful time to reflect.

I have had the privilege of virtually observing and observing from a distance many classes this winter/spring. I am happy to report that we have so much to be proud of! Our students are doing some incredible thinking and learning. From aquifers and where to colonize based on water supply to algebraic thinking to relating characters' feelings and traits to people that we know. These students K-6 are using problem solving and critical thinking strategies to solve real world problems.

Our students feel empowered and connected in new and exciting ways. Never before have I had more students reach out to me to share their ideas and beliefs about the school. These students are taking strong stances on issues that are important to them and are impactful to our students and our school from recycling to minimizing sugar in our schools to maximizing free play and outdoor time. So, we know it is easy for families to have that "regular" conversation: What did you do at school today? Nothing. Instead ask: What is something new you learned? What is something that made you smile? Did anyone change your thinking or ideas about something? Your children are making us smile every day and we are so grateful to be able to engage them in deeper learning.

Have a super week! See you on May 3rd!

Kindly,  
Mrs. Danielle Nutting
