1. From the "My Students" tab each student will have a direct link to the Texas Assessment Student Portal.
 - a. Select the student if multiple students are included.
2. Click "Texas Assessment Parent Portal" to be redirected to this student's state assessment results.
 - a. If this student recently tested, please check back for a link within a few days.

A screenshot of the Frontline Parent Self Serve interface. At the top, there is a purple header with 'ERP & SIS Southwest ISD'. Below the header, the main content area is titled 'My Students'. A blue arrow labeled '1' points to the 'My Students' tab, which is circled in blue. Other tabs include 'Attendance', 'Report Cards', 'Progress Reports', 'Email Teacher', 'Schedule', and 'Edit Contact Inf'. Below the tabs is a 'Student List' section with columns for 'Local ID' and 'Name'. A green arrow labeled '2' points to a link labeled 'Texas Assessment Parent Portal' in the student list, which is circled in green. Below the student list, there is a red text prompt: 'Select Student to View Available Information'.

State Assessment results can also be accessed at <https://texasassessment.com/> with the student's unique access code.

You may also contact your child's campus to request a paper version of state assessment results.
