

Haddon Heights Board of Education

RFP 21-01 Addendum

Posted 3/18/2021

The following items have been provided for clarification.

1. Physical Therapy Services Scope of Work
 - a. Physical therapy services will be provided in accordance with IEPs on a per case basis for children in grades preschool through grade 12. Other services will include evaluations and other services needed throughout the district to provide a thorough and efficient education for our students.

2. Nursing Services Scope of Work Addition
 - a. Nursing services should include a proposal for nursing services to Non-public school. The schools utilize nursing services on a per diem basis for approximately two days per week.
