Franklin Towne administration reserves the right to make additions and/or changes to the student handbook during the course of the school year. If any additions and/or changes are made during the course of this school year, those changes will be posted on the school’s website and the appropriate changes will be made to the online student handbook found on our school website. If the handbook that is distributed to the student conflicts with what is posted in the online student handbook on the website, the online version takes precedent. It is your responsibility to keep up to date with any and all changes made to the online student handbook by monitoring the school’s website.

Franklin Towne Charter Elementary School creatively works to ensure that all students have progressed and are ready to advance to their post-elementary pursuits. Students must demonstrate progress and learning to promote and graduate.

As such, FTCES has developed resources and policies to create opportunities for all students. Tutoring is available daily. FTCES encourages parents to participate in their child’s learning by communicating concerns to teachers.

Below is an outlined overview of FTCES’s academic program, which is designed for each child to succeed.

### GRADES, HONOR ROLL AND REPORT CARDS

FTCES believes that recognizing student achievement is important. Below is the grading policy, outline of Honors requirements and reporting schedule.

- **Grading** - FTCES has adopted the following grading policy:

  - **Online Grading**: FTCES utilizes PowerSchool as our online gradebook. This system can be accessed via our school website at www.franklintowne.org. Online grading allows students and parents access to all grades and assignments and is updated daily. Each student and parent will receive passwords to access the system. Students and parents are also encouraged to monitor the school website regularly for important updates and information. Through PowerSchool students and parents will be able to monitor test scores, homework assignments, student attendance and behavior notification.

  - **Teacher Websites**: All teachers keep updated and accurate teacher websites that provide important information regarding their classes. It is recommended that parents and students check these websites on a regular basis.

- **Honor Roll** - The Honor Roll designates student achievement. Each marking period, students with high academic success who meet the parameters below are recognized as Honor Roll students. Determination towards honor roll is found by calculating a student’s average grade for an individual marking period. The level of honor roll earned is dependent upon the numerical average and the value of a student’s lowest grade as shown below:
  
  - **Distinguished Honors**: average of 95 and above, no grade lower than 95
  - **Meritorious Honors**: average of 90-94, and no grade lower than 90

- **Report Cards** – There are four marking periods per year. The first two marking periods and the second two marking periods each make up a semester. Report card grades will be available to view on our online gradebook, PowerSchool, at the end of each marking period.

### PROMOTION AND GRADUATION

Students who do not achieve a grade of 70 or better in their academic classes each year will not be promoted to the next grade level or granted graduation status until the proper credits are attained. This includes all incoming transfer students, as well.

Students may gain the necessary credits by enrolling in a pre-approved summer school program; either through a FTCES program (if available) or another accredited institution approved by FTCES. FTCES reserves the right to deny credit received in summer school based upon a review of the summer school program and the student’s mastery of subject matter.
STUDY HALL

Study Hall: Students are expected to remain in their seats quietly working independently on school assignments. During study hall, students may receive appointment slips to see their teachers for tutoring and missing work. Students are not permitted to leave Study Hall at any time without written authorization that must be presented to their Study Hall teacher.

- Students are to remain silent and seated, working productively on school assignments or silently reading for the duration of the Study Hall period.
- Students must come prepared each day to Study Hall and will not be permitted to leave the room or put their head down for any reason.
- All questions from students should be directed to the staff member proctoring the Study Hall period.

ACADEMIC DISHONESTY

The goals and intent of the education provided for students at Franklin Towne is embodied through the school’s mission. Instruction is driven towards students’ mastery of content and preparation for continuing education at the postsecondary level. It is expected that through the various programs, policies and resources in place at the school, teachers will be able to support student success and learning appropriately. It is imperative that a student’s grade be based upon their true performance on assessments and mastery of the skills and concepts set forth in learning objectives for each grade level and course. While we strongly encourage parental involvement in their child’s academic studies, it is critical that any assignment that is completed for school be a creation by the student, not a fabrication by the parent. Students who participate in academically dishonest behaviors undermine the mission of the school, and such behaviors will not be tolerated.

Academic Dishonesty is defined, but not limited to, violating the school’s academic integrity guidelines in one of three areas: cheating, copying/unethical collaboration and plagiarism.

Cheating: is defined as using an unfair and non-permitted method to increase a score on a tests/project, homework or classwork.

Examples of cheating include, but are not limited to:

1. Using a cheat sheet on a test.
2. Copying from another student on a test, with or without his or her knowledge.
3. Using unfair methods to find out in advance what will be on a test, such as stealing a copy of the test, telling students in a later block what was on a test, staying home from school/skipping class in order to ask a classmate what was on a test.
5. Taking an exam for someone else or having someone take an exam for you.
6. Changing an answer after an assessment was graded and reporting it as a scoring error.
7. Giving a false excuse for missing an exam or a deadline.

Copying/unethical collaboration: copying is defined as the outcome of two or more students working together to produce identical work of which one or more students did not, could not and cannot produce on his or her own.

Examples of copying include, but are not limited to:

1. Two or more students turning in work that they worked on together with identical answers.
2. Discussing/working with another student for any assignment which the teacher has asked for individual work.
3. Allowing another student to copy your work.
4. Turning in or copying a student’s work from a previous semester or year.
5. Receiving substantial, unauthorized help on an assignment.
6. Not doing one’s fair share of group work.
7. Turning in work that was completed by someone else, including a parent or guardian.

Plagiarism: Plagiarism is defined as the presentation of another writer’s ideas or words as if they were your own, without properly acknowledging the source.

Examples of plagiarism include, but are not limited to:

1. Copying clauses, sentences or paragraphs of material, as well as ideas, from any published print, oral or digital source without completely and correctly citing it.
2. Paraphrasing of clauses, sentences or paragraphs of material, as well as ideas, from any published print, oral or digital source without completely and correcting citing it
3. Falsifying quotations by fabricating them, editing them, attributing them to the wrong author or attributing them to the wrong source
4. Fabricating or falsifying a bibliography by listing real but unread sources, sources not used at all, editing sources to appear credible or not listing sources used
5. Using a paper for more than one class without teacher approval.
6. Writing lab report without doing the experiment.
7. Falsifying lab data

Academic Dishonesty Penalties

- **First offense**: teacher issues a demerit or detention for cheating (based on severity additional penalty up to a (1) day suspension may be issued) and teacher has option to allow students to do the assignment at a reduced grade.
- **Second offense**: teacher reports instance to Dean for a suspension (based on severity any penalty up to three (3) days suspension), student must redo the assignment to a satisfactory level, and zero points will be issued for the assignment.

**BLOCK SCHEDULING FOR GRADES 6-7-8**

In order to best prepare FTCES students for the demands of high school studies, FTCES will operate in a Block Format during the school year for grades 6-7-8. Block scheduling is a type of academic scheduling model in which each student has fewer classes per day for a longer period of time. By utilizing a Block Schedule FTCES students will have more time in their core academic classes and our teachers will have the valuable time to engage their students in truly meaningful activities.

**HOMEWORK AND PROJECTS**

All students are expected and required to complete all homework and projects completely and on time. Completion of homework and projects is valued at Franklin Towne as an important action towards academic success. If students are unable to complete projects on time or sufficiently in adherence to teacher directions, they will be met with by their teachers through after school appointments in order to determine any support that is needed and a new deadline by which the project must be submitted. Any student failing to complete these assignments is subject to progressive disciplinary action.

**Homework Policy and Homework Detention Rules**

- Any student who fails to turn in a completed homework assignment on time, will be issued a homework lunch detention by the teacher. If the detention is issued prior to that student’s lunch period, the student will serve lunch detention that day. If the lunch detention is issued after that student’s lunch period, the lunch detention will be served the following day.
- Students will receive a written copy of the homework lunch detention assignment.
- In order for a homework detention to be fulfilled, students must follow all detention rules and complete all requirements.
- If a student fails to hand in the homework completed after receiving and serving the lunch detention, they will again receive a homework lunch detention until the teacher determines that the homework has been completed to a satisfactory level. On the third straight day of missing the same homework, a student will be referred to the Administration for further disciplinary action which may include, but not limited to, a Suspension.
- If a student has an early dismissal on a day they were issued a homework lunch detention, and they leave prior to serving the lunch detention, they must serve the lunch detention on the next day they are present in school.
- If a student receives multiple homework detentions in one day, they must serve one lunch detention per day, for the number of missed homework assignments. They may possibly receive an administrative detention on a Friday as well.
- Failure to follow rules in lunch detention will cause a student to be removed from detention. This will result in an automatic suspension.
- If a student receives 3 homework detentions in a week, they may be assigned a two hour Administrative detention on a Friday.
- If a student received 6 homework detentions in a quarter, they may receive an Administrative 2 hour detention, possibly on a Saturday.
- If a student receives 9 homework detentions in a quarter, they will be placed on Loss of Privilege

**Projects**

FTCES utilizes Projects as an interactive and authentic form of student assessment. Projects are an ongoing series of assignments that should require students to perform real-world tasks that demonstrate meaningful application of essential knowledge and skills. Projects require consistent monitoring of student progress, understanding, and performance through the use of checkpoints and a rubric that is discussed with students at the time the project is assigned. For those students not completing the tasks necessary to complete the project, a series of interventions should be implemented to identify the problem and rectify it as soon as possible.

For any student that does not turn in a completed project on the due date teachers will:

1. Meet with students to identify why the project isn’t complete, clarify with the student the project, expectations, and set a plan for completion of the project.
2. Make phone call(s) home and discuss and explain the situation to the parent.
3. If student does not turn in project within 3 days of due date and all steps were followed, further disciplinary action may take place, including but not limited to daily detention, Friday detention, and Saturday detention.
4. If further interventions are not successful, the student will be referred to administration for suspension or other corrective measures to ensure completion of the project. Teachers will refer to department policies concerning point deductions for missed work. Regardless of possible grade outcomes, every student must hand in every project that is assigned.

ENROLLMENT POLICY FOR FTCES SIBLINGS

FTCES will allow for the admission of students who are legally the sibling of a current student enrolled at the elementary school. The current FTCES student must be in good standing at the elementary school related to their academic, attendance, and behavior in order for a sibling to be eligible to take part in the sibling preference program. Failure to meet all requirements will prohibit participation and the applicant will be placed in the lottery.

FTCHS APPLICATION PROCESS

A current 8th grade student who is in good standing related to their academic, attendance, and behavior record will be invited to complete the FTCHS application requirements. Once complete the student will receive automatic acceptance into Franklin Towne Charter High School upon graduation from FTCES. A current FTCES student must be in good standing as related to their academic, attendance, and behavior records for the entire year in order to maintain automatic acceptance into Franklin Towne Charter High School. If a student is found to no longer be in good standing at any time, that student will forfeit automatic acceptance into Franklin Towne Charter High School. If a student is not in good standing at the elementary school their application will be placed in the general application pool for possible selection in the lottery.

GUIDANCE OFFICE

FTCES guidance office is available to assist students with a variety of needs:
- Information regarding academic progress and possible interventions/supports for struggling students
- Opportunities for academic enrichment at FTCES
- Attendance items and resulting standing as an FTCES student

Students may fill out a request for appointment slip to meet with the guidance counselor. Parents, as well as students, may contact the guidance office for support.

RETENTION POLICY

At the conclusion of the school year, it may be determined that a student would benefit from grade retention; the process of repeating a year at their current grade level. Students should not be promoted if they haven't been able to meet the social and academic challenges of their current grade. A Retention Committee examines a student’s data thoroughly before recommending a student for retention or promotion. The factors used to make a decision to grade retention include:
- The student must be referred to the Child-Find process and be receiving evidenced-based interventions for academics and/or behavioral concerns.
- The student is reading one or more grade levels below current grade placement.
- The student is performing one or more grade levels below in mathematics.
- A great number of absences (10% +) has occurred.
- Developmental skills are significantly below current grade level placement.
- The student’s scores are within the below average range on standardized testing data.

Parents of students who may be considered for retention will be notified. A conference will be held at that time to examine current interventions implemented. All options for remediation that are appropriate and offered in the school will be made available to the student. It is recognized by this policy that retention is a last resort and all available options should be attempted prior to the recommendation of retention.

SPECIAL EDUCATION

FTCES provides a first-class special education program for students with special needs. FTCES employs three main models for educating students with special needs: inclusion, learning support, and life skills. Students are placed in the Least Restrictive Environment based on their Individualized Education Program (IEP). Newly enrolled students who report to Franklin Towne that indicate that they currently receive special
education services may be evaluated to ensure appropriate placement in academic classes and that all necessary supports are provided to the student. For further information on policies and procedures please contact the Special Education Coordinator.

TESTING PROGRAM

Students are assessed at FTCES via standardized tests throughout the school year for a variety of purposes. Below is an overview of each test along with relevant information for parents.

**PSSA Exams**

The PSSA exams are standards-based, criterion-referenced assessments which provide an understanding of student and school performance related to the attainment of proficiency of the academic standards. These standards in English Language Arts, Mathematics, and Science and Technology identify what a student should know and be able to do at varying grade levels. FTCES designs curriculum and instruction to ensure that students meet or exceed the standards’ expectations. Every Pennsylvania student in grades 3 through 8 is assessed in English Language Arts and Math. Every Pennsylvania student in grades 4 and 8 is assessed in Science. **Students subject to these examinations are required to be in school on the days testing is administered.**

PSSA Exams are designed to be administered in multiple assessment periods or sessions. The results of PSSA exams are separated into individual student scores, school score, and district and state group results. Individual student scores are sent directly from the assessment company to the school so they may provide a hard copy of individual results to parents. The district, school and state group data, without individual student identification, are sent to the Department of Education. The results are compiled by district/school building to determine the achievement levels of Pennsylvania students and how schools in the Commonwealth are performing. They also provide results to the school district for consideration in the development of strategic plans and curriculum alignment. The assessment data is provided to the public at large in district profiles that are accessible on the PDE website at [www.pde.state.pa.us](http://www.pde.state.pa.us).

Parents have the right to view a copy of a PSSA exam prior to testing to determine if any items on the test conflict with religious views. Viewing of the test must be in the presence of a school administrator and the testing coordinator, and a written request must be received prior to testing. Exact testing dates are available on the school calendar and on the school website at [www.franklintowne.org](http://www.franklintowne.org).

**Fountas & Pinnell Benchmark Assessment** Fountas & Pinnell Benchmark Assessment Systems (BAS) assessments are conducted to accurately and reliably identify a child’s instructional and independent reading level. The Fountas & Pinnell Benchmark Assessment Systems provide teachers with precise tools and texts to observe and quantify specific reading behaviors, and then interpret and use that data to plan meaningful instruction.

**Star 360**

The Star 360 assessments are short tests that provide teachers with learning data. Star tests are computer adaptive, which means they adjust to each answer your child provides. This helps teachers get the best data to help your child in the shortest amount of testing time (about one-third of the time other tests take). Star 360 allows the teacher to pinpoint exactly what your child knows, and in turn, can personalize your child’s practice to keep them growing.

**PSSA Practice Assessments**

Throughout the year two PSSA Practice Assessments will be given to prepares your student for the PSSA in the spring. The assessments are developed by the teachers at Franklin Towne to reinforce skills and strategies to put your child in a position to have success on the PSSA. The PSSA Practice Assessments are fully aligned to the PA Core Standards and Eligible Content.

TEXTBOOK POLICY

Textbooks and other published materials will be issued to students. Each student is responsible for the care of the materials that were specifically assigned to them. If a student damages or loses materials that were issued to them, payment must be made for the replacement of those materials at the time that the damage or loss occurs. If they do not return these materials that were assigned to them, or they are not paid for in full, that student will not receive credit for the course and their grade will be withheld until payment is made.

TRANSCRIPTS

A student applying to a high school other than FTCHS will need to include a transcript (a listing of all courses taken with corresponding grades) with the application. Students must obtain a Transcript Request form from their 8th grade teacher. The Transcript Request form must be filled out in its entirety. Requests will be completed within 5 school days after receipt of the Transcript Request form. The student/parent will be responsible to submit all required documents to prospective high schools.

TRANSFER STUDENTS

All transfer students are required to provide documentation of prior coursework. Students who fail to provide such documentation will have to
II. ATTENDANCE

Franklin Towne Charter Elementary School is committed to supporting all students in gaining the skills and knowledge they need to be successful. In order to accomplish this goal, all students are expected to attend school daily. Each day a student misses is a lost day of valuable instruction. Even a few days absent will cause a student to fall behind in instruction.

All students in grades 1-8 must swipe into the building prior to 7:55 a.m., in order to be considered on time for school. All Kindergarten students must report to the building prior to 8:25 a.m. in order to be considered on time for school. Dismissal on Monday-Thursday for grades 1-8 is 2:15 p.m. Dismissal time for Kindergarten on Monday-Thursday is 2:00 p.m. On Fridays, dismissal time for grades 1-8 is 1:30 p.m. On Fridays, dismissal time for Kindergarten is 1:15 p.m. Attendance is taken daily. If your child does not attend school, it is your responsibility to communicate that to the school. In the event they are absent, please be sure to check the online grading system and teachers’ websites or email their teachers for missed homework and assignments. We will send out periodic letters to let you know if your child is in jeopardy of losing credit and not being promoted to the next grade level due to excessive absences, but ultimately it is your responsibility to know if your student was in school or not by checking homework, class assignments, notes, etc. If your child has excessive absences, you will be required to come to the school to help develop an attendance improvement plan for your child. You can check the online grading system at any time to verify student attendance.

The school building will officially open at 7:00 a.m. Students are not permitted in the building prior to 7:00 a.m. unless there are qualified personnel in the building to supervise them for safety and security reasons. All students may enter the main building through the Gymnasium entrance at 7:00 a.m.

In the event a student needs to leave early for an early dismissal, students in grades 1-8 on Monday-Thursday are required to be in school from the start of the day until 12:00 p.m. in order to receive credit for that day. Also, if a student is arriving late to school on Monday-Thursday, a student must also arrive prior to 10:15 a.m. and stay until student dismissal in order to receive credit for that day. Students in grades 1-8 leaving for early dismissals on Fridays must be in school from the start of the day until 11:30 p.m., or must not arrive later than 10:00 a.m. (and stay the rest of the day) in order to receive credit for that day. In the event of an early dismissal from kindergarten on Monday-Thursday, a student must be present from the start of the day until 12:00 p.m., and must not arrive later than 11:30 a.m. (and stay the rest of the day) in order to receive credit for that day. Students in Kindergarten leaving for early dismissals on Fridays must be in school from the start of the day until 11:30 p.m., or must arrive not later than 10:15 a.m. (and stay the rest of the day) in order to receive credit for that day.

Absence: An absence is defined as a day that a student does not attend at least 65% of classes on a regularly scheduled school day. The school reserves the right to make a determination as to whether the student will receive credit for the day based on the nature of the absence. Any student who is absent from school or requires an early dismissal will be restricted from attending any after school activity. Students are required to be in school for the full day to attend any school sponsored extracurricular activity; including sports competitions, dances, proms, meetings, or events.

Excused Absences: In order for your child’s absence to be excused, the school must receive a note from the parent or guardian within 72 hours of your child’s return to school. Absent notes must be submitted electronically and will not be accepted later than 72 hours of the return date. To submit an excuse note, the parent/guardian should select the Towne Parents drop down at the top of https://es.franklintowne.org/, then the Attendance drop down on the left-hand navigation bar. You will be given a submenu from which to choose Absence Note that you can submit electronically. If you need to submit a doctor’s note for your student, please email a picture or scanned image of the doctor’s note to fteattendanceclerk@franklintowne.org. The school reserves the right to request a hard copy of any medical documentation submitted.

The following are recognized as legitimate reasons for an excused absence:

1. Illness of student
2. Death in the family
3. Religious observance (Written notice must be submitted to the Dean of Students at least 24 hours prior to the absence in order to be excused.)
4. Documented Court Appearance

In order for any doctor’s note to be recorded as excused, the note must include the following:

1. Student’s full name
2. Doctor’s name with Doctor’s Signature (office stamp is not acceptable)

3. Date seen

4. Reason for visit

5. Reason student cannot attend school

6. Date student can return to school

7. Any follow-up if applicable

Franklin Towne reserves the right to reject any absence note from a parent or doctor if it does not comply with the requirements above or is deemed unacceptable, in which case the absence will be recorded as unlawful. This includes forging signatures, falsifying documents or altering the documentation in anyway.

Unlawful Absence Definition: An unlawful absence is defined as a day that a student does not attend at least 65% of classes on a regularly scheduled school day AND does not submit proper documentation as outlined above within 72 hours of the child’s return to school from the absence. The school reserves the right to make a determination as to whether the student will receive credit for the day based on the nature of the absence. Also, after a student’s eighth (8) absence, a doctor’s note is required in order for the absence to be lawful, if there is no doctor’s note, the absence will be deemed unlawful.

When a student is absent for more than two consecutive days a doctor’s note must be provided in order for the absences to be excused.

When a student is absent one or two days they should return to school and turn in assignments on the day they are due. It is the absent student’s responsibility to check for assignments online, make them up and turn them in. To receive credit, the student must properly document the absence, and turn in the work on time and complete. Unlawful absences or incomplete work will result in a grade of zero for the gradebook.

When a student is absent three or more days consecutively, it is the responsibility of the parent / guardian to set and attend a meeting with the student’s guidance counselor in order to create a schedule and guide for make up work. If the parent / guardian fails to attend a meeting with guidance related to properly documenting the absence and submitting school work the absences will be recorded as unlawful. Unlawful absences or incomplete work will result in a grade of zero for the gradebook.

Truancy: In the state of Pennsylvania a child is considered truant having three (3) or more school days of unexcused absence during the current school year. A child is considered habitually truant once he or she accumulates six (6) unexcused absences during the course of the school year.

To address excessive absences, Franklin Towne Charter Elementary School has adopted the following absentee policy:

(If a student enrolls during the school year, we will pro rate the number of absences pursuant to the number of days remaining in the semester and school year).

1. Parents / legal guardians will receive notification upon the student’s third (3rd) unlawful absence of the school year. This notice will include a description of the consequences that will follow if the child becomes habitually truant in the future.

2. A parent / legal guardian will be required to meet with a designated school official for any student who accumulates six (6) unlawful absences, and / or eight (8) total absences any time during the school year. The FTCES attendance committee will meet related to the individual circumstances of a student and absenteeism. The committee will create an improvement plan based on student’s reason for accumulating absences, identify issues existing during the school day or in the student’s home life, address reasons for not attending school based on academic, behavioral, emotional, and social challenges.

3. The FTCES attendance committee will implement an individual improvement plan for each student. Once the plan is implemented the attendance clerk will create benchmarks / goals to track bi-weekly.

4. The FTCES Attendance Committee will meet related to students with excessive absences, the team will develop an action plan for the purpose of focusing on students academically, obstacles to attendance, family issues, appropriate agencies for necessary services, and legal consequences if the child does not attend school each and every day.

5. Any student that is absent for five (5) consecutive days must have a parent / guardian set an appointment with a designated school official to provide medical documentation, receive class work during the absences, and create a plan for the student to be reinstated when returning to school. The student will be given 48 school hours to complete the missed work. If the student does not present medical documentation the student will not be issued credit for the missed work. At any time, the student is still expected to make up any work that is missed.
6. Upon return to school the parents must provide medical documentation and sign a release of information. This document will allow the attendance committee to communicate with the doctor and best provide services to the individual student.

7. Any student that is absent for ten (10) consecutive days will be dropped from roll. Parents will then be required to enroll that student in another school.

HIGH SCHOOL VISITS
8th graders wishing to visit a high school other than Franklin Towne Charter High School may do so one time as an excused absence. Proof of their visit must be obtained from the high school and submitted to the front office. Any high school visit beyond a student’s one allotment, or that requires multiple days at one high school due to travel concerns, requires approval by Franklin Towne administration. Franklin Towne Charter High School will have a planned visitation day where the entire 8th grade is invited to visit the High School on a set date. The date of the visitation is the only date that an 8th grader will be permitted to visit the High School without a special invitation.

Early Dismissal Policy
Our goal at Franklin Towne Charter Elementary School is for every student to attend every day so that a student’s time on task will meet the required number of hours for credit. We request that all medical appointments be scheduled outside of school hours, but under emergency circumstances, students will be accommodated. Refer to the Code of Conduct for the school’s policy regarding excessive early dismissals from school.

The procedures for procuring an early dismissal are:
1. Student is to bring to the front office a note signed by the parent/guardian. The note is to have a phone number where the parent can be reached for verification.
2. In order for the early dismissed to be excused, medical documentation must be turned in to the front desk the following morning justifying the early dismissal.
3. If a student is leaving school early as designated by the nurse, the early dismissal will be excused.
4. Any student leaving for an early dismissal must be picked up by a parent or guardian that are listed on a student’s emergency contact sheet.
5. Students who leave early for any reason are not permitted to participate in any after school activity without prior approval from administration. This includes trips, dances, and athletics.
6. Students who have accumulated more than 5 unexcused early dismissals should refer to the code of conduct.

Homebound Instruction
Students that will be out of school for an extended period of time due to a medical condition may benefit from homebound instruction. In order to qualify for homebound instruction, parent/guardian must contact school to set up an appointment with an administrator. A letter from a physician requesting homebound services, the reason for the request, and the projected duration/end date MUST be presented at the meeting. All requests are subject to review by a physician appointed by Franklin Towne Charter Elementary School prior to services beginning.

Lateness to School
Students in grades 1-8 who arrive to school after 7:55 a.m. will be marked late. Kindergarten students who arrive after 9:00 a.m. will be marked late. Refer to the Code of Conduct for the school’s policy regarding excessive lateness to school.

If a student arrives late because of an appointment (doctor or court appearance) they must bring in adequate documentation in order for the lateness to be excused.

Pre-Approved Trips / Vacations
Families wishing to travel during the school year where students will miss school days must submit a request form for approval of the travel dates. The Student Services Supervisor/Dean of Students must receive the request at least (2) two weeks in advance of any planned absence/trip. To submit a request form, the parent/guardian should select the Towne Parents drop down at the top of https://es.franklintowne.org/, then the Attendance drop down on the left-hand navigation bar. You will be given a submenu from which to choose Pre-approved Absence Request that you can submit electronically. Parents will be informed, when the dates are approved or the reason(s) for the request being denied. If it is determined that one sibling is ineligible for approval for a planned absence, the school will deny the request for all enrolled students of that family. This includes families with children both Franklin Towne Charter High School and Franklin Towne Charter Elementary School.

There will be no trip absences approved during standardized testing, PSSA examinations, quarterly examinations, or final examinations. There will be no trip absences approved during the first two weeks of school or last two weeks of school. There will be no trip absences approved for any students who are considered habitually truant. There will be no trip absences approved for more than five (5) class days. Planned absences that shorten the school year by coinciding with either the beginning or the end of the school year, Thanksgiving or winter and spring breaks are not permitted. Upon approval, the school will notify a student’s...
teachers of the request. It is the responsibility of the student to obtain and complete work from their teachers.

Homelessness
In accordance with federal and state guidelines under the McKinney/Vento Act, Franklin Towne Charter Schools are committed to removing barriers to education that face students experiencing homelessness.

III. BEHAVIOR

BULLYING AND CYBER-BULLYING
FTCES strives to provide a safe, positive learning climate for all students. Therefore, it is the policy of FTCES to maintain an educational environment in which bullying and cyber-bullying in any form are not tolerated.

1. Authority
All forms of bullying and cyber-bullying by students are hereby prohibited. Anyone who engages in bullying or cyber-bullying in violation of this Policy will be subject to appropriate discipline.

Students who have been bullied or cyber-bullied should promptly report such incidents to the Assistant Principal or to the school guidance counselor.

Complaints of bullying or cyber-bullying will be investigated promptly, and corrective action will be taken when a complaint is verified. Neither reprisals nor retaliation will occur as a result of the submission of a complaint.

FTCES will inform students annually that bullying and cyber-bullying will not be tolerated.

2. Definition
Bullying is defined as “intentional electronic, written, verbal, or physical act or series of acts directed at another student or students. The act is severe, persistent or pervasive and has the effect of substantially interfering with a student’s education, creating a threatening environment, or substantially disrupting the orderly operation of school.” Cyber-bullying includes, but is not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another student, teacher, or employee of FTCES by sending or posting inappropriate or derogatory email messages, instant messages, text messages, digital pictures or images, or Web site postings including blogs, “Facebook”, “Twitter”, “Instagram”, “Snapchat”, “Tumblr” and “YouTube”. All forms of cyber-bullying are unacceptable, and to the extent that such actions are disruptive of the educational process at FTCES, offenders will be the subject of appropriate discipline.

The terms “bullying” and “cyber-bullying” will not be interpreted to infringe upon a student’s right to engage in legally protected speech or conduct.

3. Action:
The bullying policy will be posted in each classroom and will be reviewed with all students at least once per school year.

If a report of bullying or harassment is made but cannot be confirmed, there will be a conference with all students involved and verbal warnings issued where appropriate. At this time, all students involved will be asked if they would like to speak to the guidance counselor and their families will be called.

If a report is confirmed, the student(s) found to be harassing or bullying will receive up to a three (3) day suspension and will be referred to a bullying program to be facilitated by a staff member.

If the same student is reported after being referred to the program and the report is confirmed, they may be referred for expulsion.

A student could also be suspended for up to 3 days and referred to a bullying program if they are reported on three occasions, even if the reports cannot be verified.

Bullying Intervention/Prevention Program
FTCES is committed to making the school a safe and caring environment for all students, faculty, and staff. Members of the school community will treat each other with respect and refuse to tolerate bullying of any kind. The Board of the School recognizes the negative impact that
bullying has on student health, welfare and safety, and on the learning environment at school. Bullying is prohibited on all school property, at school-sanctioned activities or events, when students are being transported by the Philadelphia School District buses, and off school property when such conduct has a nexus to the school or any school curricular or noncurricular activity or event. "Bullying" will be defined as written or verbal expression, physical or electronic act, or gesture, or a pattern thereof, that is intended to coerce, intimidate, or cause any physical, mental, or emotional harm to any student, staff, or faculty member.

Bullying is prohibited against any student and will not be tolerated; this may include, but not be limited to behavior that is directed toward a student on the basis of his or her academic performance or against whom federal and state laws prohibit discrimination. All administrators, teachers, staff, and students share the responsibility to ensure that bullying does not occur at school, on school property, at school-sanctioned activities or events. This also includes transportation of students, staff or faculty in any vehicle dispatched by the school, off school property when such conduct has a connection to school curricular or non-curricular activity or event.

1. All students who believe they have been victims of bullying in any such circumstance shall immediately report to an administrator or teacher at the school.
2. All students who witness student bullying in any such circumstance shall immediately report to an administrator or teacher at the school.
3. All staff and teachers who have bullying incidents reported to them, shall promptly forward the report(s) to a member of administration.
4. All teachers and staff who witness student bullying in any such circumstance shall immediately take appropriate action to stop the bullying, and shall promptly report the bullying to a member of administration.
5. The school administration takes the information given, and conducts a full investigation individually interviewing all witnesses, relevant parties, viewing social media sites if applicable, etc.
6. Based on the information obtained in the investigation, the school administration makes a determination if the event in question is an example of bullying, harassment, or conflict between students. If the event is an example of bullying, the student(s) will be referred to our bullying prevention program. If the event is an example of conflict, the student(s) will be referred to our conflict resolution program.

BUSES

(OPERATED BY THE SCHOOL DISTRICT OF PHILADELPHIA)

In the event that the School District does not have the bus schedules in place or the buses are not available, please make arrangements to drop off and pick-up your child.

In order to be eligible to ride the school bus, a student’s primary address must be beyond a 1.5-mile radius of the school’s location. Please note that bus stops can be up to 0.4 miles from the student’s primary address. School buses are only available to students in grades 1 through 6. Students in grades 7 and 8 will be issued weekly Septa Trans passes if mileage eligible.

Students eligible to ride the school bus must be reminded that bus transportation is provided for them by the School District of Philadelphia. However, if for any reason the school bus is late or does not make its scheduled pick up, it is still the responsibility of the parent/guardian to get their child to school on time. All students are expected to act responsibly while on the school bus and will face appropriate disciplinary action for any violation of the FTCES code of conduct.

FTCES’s Code of Conduct dictates that students will:

- ALL FTCES SCHOOL RULES AND CODE OF CONDUCT APPLY TO STUDENTS ON THE BUS. INFRINGEMENTS MADE ON THE BUS MAY BE TREATED EXACTLY AS IF THEY OCCURRED IN SCHOOL.
- Get on and off the bus in a safe and orderly manner.
- Remain seated when the bus is in motion.
- Not engage in any activity, which might be disturbing to the driver or dangerous to themselves or others.
- Adhere to all FTCES regulations on the bus, as well as when entering and exiting the bus.
- No food or drink is to be consumed on the bus.
- Converse at an appropriate level to, from, and while seated on the bus.

Any child who deliberately disregards these regulations may face consequences outlined in the student code of conduct, and may have his/her bus privileges suspended for a period of time or result in possible expulsion from school.

Progressive Bus Discipline Policies:

1. First offense: A parent may receive a warning letter and possible meeting, or further disciplinary action may occur depending on the severity of the incident.
2. Second offense: May result in a 1-week suspension from the bus, or further disciplinary action may occur depending on the severity of the incident.
3. Third offense: May result in an extended suspension from the bus, or further disciplinary action may occur depending on the severity of the incident, including but not limited to the student being placed on Loss of Privileges, and assigned to mandatory Friday detentions.

4. Fourth offense: May result in possible expulsion from school.

At any time, FTCES administration reserves the right to enact any and all policies dictated in the student code of conduct, or to suspend a child from the bus pending the severity of the incident.

**SEPTA FARE CARD FOR 7TH AND 8TH GRADES**

The School District of Philadelphia determines if your child will receive free transportation for school. The School District of Philadelphia in concert with SEPTA makes this boundary determination. FTCES does not have the right to override this decision. SEPTA Student Fare Cards are only distributed once a year in September and are valid while the student is enrolled in FTCES. It is the student’s responsibility to maintain their SEPTA Student Fare Card in possession for use. Lost or stolen Fare Cards must be reported to the school immediately. If the school district does not issue your child free transportation, we can assist you with this policy, and questions regarding SEPTA passes should be directed to the School's front office.

**CELL PHONES AND OTHER ELECTRONIC DEVICES**

FTCES understands that cell phones / wearable electronic Wi-Fi enabled devices are an important part of a person’s everyday life. However, cell phones / wearable electronic Wi-Fi enabled devices are not permitted in an FTCES classroom because they serve as an educational distraction and can promote cheating. If a parent needs to contact a child during the course of the instructional day, please call the front desk and we will get a message to your child. If your child has a need to contact a parent, a FTCES telephone located at the front desk is available for use during lunches and at the end of the school day.

If a student is found to be in possession of a cell phone / wearable electronic Wi-Fi enabled devices during the school day, the following will result:

- **First Offense:** Student will receive detention, 5 demerit points, and the parent will be informed by a phone call from the Assistant Principal or another school official.
- **Second Offense:** Student will receive detention, cell phones / wearable electronic Wi-Fi enabled devices will be confiscated and released only to parent/guardian, and student will lose all student privileges until notified by a school administrator. Upon return of the phone, the parent/guardian must sign a waiver stating that they acknowledge their rights upon a third cell phone violation.
- **Third Offense:** Student may be referred for expulsion

Parents, since this type of offense carries a very heavy penalty, we are asking for your help to encourage your children to have their cell phones / wearable electronic Wi-Fi enabled devices turned off and turned into their teachers during the school day. Thank you for your support.

FTCES will permit students to bring cell phones and other electronic devices to school **PROVIDED THE FOLLOWING GUIDELINES ARE FOLLOWED:***

- Students must turn in their cell phones / wearable electronic Wi-Fi enabled devices to their teachers when they report at the start of the day.
- Students are not permitted to have their cell phone / wearable electronic Wi-Fi enabled devices on their person after the start of the day.
- Detention and in-school suspension are all considered classroom activities. Therefore, cell phones / wearable electronic Wi-Fi enabled devices must be turned in to appropriate school personnel during these activities.
- At no time is a student permitted to have any electronic device in their possession during school day hours unless the device has been issued by the school.
- FTCES is not responsible for lost or stolen property that a student voluntarily brings to school including cell phones / wearable electronic Wi-Fi enabled devices.
- All headphones must be removed and placed in book-bags upon entering the building. Student’s personal headphones are not permitted to be worn at any time in the building.
- Students are not permitted to bring e-book readers such as Kindle’s, Nook’s, iPad’s, etc. to school.
- Students are not permitted to bring cameras to school.

FTCES reserves the right to use hand-held and stationary metal detectors for use during student searches. If either of these instruments determine that a student is in possession of a detectable item (including cell phones / wearable electronic Wi-Fi enabled devices), the student will be subject to a more extensive search by a same-sex school employee to the extent necessary to identify and secure the detected item. If an item of contraband is found during the search and the student does not relinquish the detected item, he/or she may be referred for expulsion.

**Cell Phones and Electronic Devices on class trips:** Cell phones and electronic devices are not permitted on trips unless the trip returns to school.
after normal school hours (8th grade end of year trip). Any cell phone violations on class trips will be handled in the same manner as if it occurred in school.

**CODE OF CONDUCT**

The primary purpose of FTCES is to educate our students in a safe and secure environment. Students who disrupt this atmosphere will face the consequences of their actions. In order to maintain the order necessary to run a school program, FTCES has established a detailed code of conduct and its consequences for all to understand and follow. These rules apply to all students during school hours, in any school sponsored program, on school grounds prior to the start of school and following dismissal from school, traveling to and from school (including riding the bus), school trips or functions, or any event that might jeopardize the school’s ability to exercise its authority. The Code of Conduct may also be enforced outside of the above parameters if the administration feels the actions of FTCES students will affect the normal operations of the school or the safety of other FTCES students.

Consequences include demerits, detentions, and suspensions (in-school and out-of-school). In compliance with state school code, FTCES implements the following suspension and expulsion procedures:

- The CEO, Principal, Assistant Principal, or any other school administrator may give suspensions (exclusion from school for a period of one to ten consecutive days);
- No student will be suspended until the student has been informed of the reason(s) for the suspension. Prior notice of the intended suspension need not be given when it is clear that the health, safety or welfare of the school community is threatened;
- The parent/guardian is to be notified immediately in writing when the student is suspended;
- When the suspension exceeds three school days the student and parent shall be given the opportunity for an informal hearing with school authorities;
- Students shall have the responsibility to make up exams and work missed while being disciplined by suspension and shall be permitted to complete these assignments;
- Students are not permitted on school property or to participate in any school activity at any time during the duration of a suspension;
- Expulsion is exclusion from school by the Board of Directors for a period exceeding ten school days and may be permanent expulsion from the school’s roll. All expulsions require a prior formal hearing;
- Students who are suspended, expelled, or who withdraw from school are not permitted on school property nor permitted to participate in any school function or activity for an indefinite amount of time.

**Behavior Rules**

The following are some general rules of behavior at FTCES and the corrective actions for certain offenses. Behavior or conduct that violates school policy and/or state law that is not specifically addressed in the handbook and code of conduct shall be handled on a case by case basis depending on the severity of the offense.

**Scope of Rules of Discipline**

These rules shall apply to any conduct:

- On school grounds during, before, or after school hours.
- On school grounds at any other time when the school is being used by a school group.
- Off school grounds at any school activity function or event.
- Traveling to and from school, including actions taken on a bus, van, or public conveyance.
- Off school grounds when the conduct may reasonably be expected to undermine the proper disciplinary authority of the school, the safety of students or staff, or encourage a disruption within the school. This includes, but is not limited to, any text messaging, voice messages, message board posting, or videos on “Facebook”, “Twitter”, “YouTube”, “Instagram”, “Snapchat”, “Instant Messenger”, or any other internet related medium.

NOTE: Internal school discipline actions shall not in any way deprive FTCES or an individual victim from pursuing any legal remedies available in the Criminal, Civil, or Delinquency Courts of the Commonwealth. Regardless of age, all students at FTCES are treated equally under school policy.

**Prohibition of Corporal Punishment**

The use of corporal punishment, defined as any act of physical force on a pupil for the purpose of punishment, is not acceptable in this school and will NOT be tolerated as a disciplinary measure. The term will not apply, however, to the use of reasonable force in the following situations:

- Self-defense
- To protect the individual or other persons from physical injury
- To protect property of the school or others
- To restrain or control a student that is in crisis and is a danger to the physical well-being of themselves or others

**DEMERIT/DETENTION POLICY**
When a student’s behavior is not appropriate for FTCES the student may be issued demerits and/or detentions. When a student in grades K-4 has earned 10 demerits that student will be required to serve an Administrative detention and will serve additional Administrative detentions for every 10 demerit points accrued. That student will be given notification of the Administrative detention, with the date of the detention, in writing prior to the detention. Administrative detentions are used as an alternative to afterschool detentions, can occur on days off, or as an extension of a school day. If a student is assigned an Administrative detention on a day off, they must report to FTCES at the designated time, and complete school work while at the detention. If a student in 4th grade reaches the 35-demerit threshold, that student will be responsible to serve an after school detention the following school day for every demerit infraction they receive for the rest of the school year (see detention policy below for more clarification). When a student in grades 5-8 commits an infraction, they will be issued an after school detention. Each detention has a demerit value that corresponds with the infraction. Detention is held Monday-Thursday from 3:15 pm to 4:00 pm and Fridays from 1:30 pm to 2:15 pm. All students serving detention must stay for the entire detention period in order to be counted as served. Any student who does not show up for an assigned detention and does not have an excused early dismissal will be considered cutting detention. Students who cut detention will be issued an In-School Suspension for cutting detention and will have to serve that detention the following day. The only way a student can have a detention postponed is if a student cannot attend because of a medical appointment. The detention will be postponed for the following day only if the student brings in medical documentation to the front desk no later than the following morning to confirm they attended the appointment.

Progressive Discipline Policy Concerning Demerit Violations
20 demerits = First demerit violation suspension.
35 demerits = Second demerit violation suspension, and student may be placed on Loss of Privileges.
45 demerits = Third demerit violation suspension, and student may be placed on Loss of Privileges for the remainder of the school year.
50 demerits = Fourth demerit violation suspension, and may be placed on Loss of Privileges until the end of the school year.
55 demerits = Fifth demerit violation suspension, and the student may be referred for expulsion.

Progressive Discipline Policy Concerning Suspension
1st suspension = Reinstatement with school representative or administrator
2nd suspension = Reinstatement with school representative or administrator
3rd suspension = Reinstatement and student status reviewed. Behavior agreement/loss of privileges
4th suspension = Reinstatement, student status reviewed, loss of privileges, possible referral for expulsion.
5th suspension = Referral for expulsion
Demit Violation Suspension will be considered suspensions with regards to the progressive discipline policy concerning suspension.
FTCES RESERVES THE OPTION TO REFER A STUDENT TO AN ALTERNATIVE EDUCATION PROGRAM IN LIEU OF EXPULSION.
Offenses and Corrective Actions
A “Reinstatement” requires a parent to meet with a school administrator to determine whether a student will be reinstated after a suspension or referred for additional action such as expulsion. Students who were suspended may not attend classes until the completion of the Parent Conference or Reinstatement. The student’s cumulative disciplinary record will be taken into consideration when deciding the appropriate consequence.

Additionally, our Code of Conduct outlines demerits (i.e. “Discipline Points”) for certain actions. Accumulation of discipline points can result in an Administrative Suspension for Demerit Violation. These suspensions are used an alternative to out-of-school or in-school suspension, and can occur on days off, or as an extension of a school day. If a student is assigned an Administrative Suspension on a day off, they must report to FTCES at the designated time, and complete school work while at the Suspension. Excessive detentions, excessive lateness to school or early dismissals, and skipping class or school can also result in an Administrative Suspension on a day off such as Saturday.

Due Process for Informal Suspension Hearings

During the period prior to the hearing and decision of the Board of Trustees in an expulsion case, the student, unless on suspension, shall be placed in his normal class except; if it is determined after an informal hearing that a student’s presence in his normal class would constitute a threat to the health, safety, morals, or welfare of others and if it not possible to hold a formal hearing within the period of a suspension, the student may be excluded from school for more than 10 school days, if the formal hearing is not unreasonably delayed.

• The proceeding will be held with all reasonable speed.
• In the event the student is dissatisfied with the results of the hearing, an appeal may be filed in accordance with the Local Agency Law to the Court of Common Pleas within thirty (30) days of receipt of the Adjudication. If it is alleged that a constitutional issue is involved, the student may be able to file a claim for relief in the Federal District Court. The student and their parents/guardian will be apprised of these rights.
Description of the Due Process Hearing

At the beginning of the hearing, a duly authorized committee of the Board, or a duly qualified hearing examiner, who need not be a member of the Board, but whose adjudication must be approved by the Board (herein called Hearing Officer) shall inform the student and the student’s representative(s) that:

- The School’s and the student’s representatives shall have the right to examine and cross-examine witnesses; the student has the privilege against self-incrimination, but that if the student does testify, he/she shall be subject to cross examination; the charter school has the burden of proving the charges by a preponderance of credible evidence; a transcript of the proceedings shall be maintained and made available to the student’s representative upon request; and the hearing shall be private or open to the public, as determined by the student’s representative.

- The person conducting the hearing shall not have intimate knowledge of the details of the charges to assure an impartial, unbiased hearing of the case.

The Hearing Officer shall inform the parties that:

- The case will proceed by having the school present its evidence through witnesses and other evidence first;
- The school’s witnesses shall be subject to cross-examination by the student’s representative; and
- The student will then have the opportunity to present witnesses on his/her behalf, subject to cross-examination by the school’s representative.

Following the conclusion of the testimony and the introduction of other evidence matters, the parties shall be afforded the opportunity to present oral arguments to the Hearing Officer indicating the reasons why the charges should be sustained or dismissed. The Hearing Officer shall then reach findings of fact upon the charges.

In the event that one or more of the charges is sustained, the Hearing Officer shall then entertain statements from the parties regarding the appropriate penalty outcome. In the event that the parent and/or the student, in an appropriate case, have been served with a copy of the student’s past disciplinary anecdotal record in a timely fashion, for consideration at the hearing, such record may be considered by the Hearing Officer in determining an appropriate penalty. The incidents contained within the past anecdotal record shall be subject to proof to the extent that they are denied by the student, as expressed by the student’s representative.

The Hearing Officer, upon the conclusion of the portion of the proceeding dealing with penalty determinations, shall make findings of fact and penalty recommendations, if any, to the person or body which designated him/her immediately upon the conclusion of the long-term suspension hearing.

The Board shall make its own findings of fact and penalty decision, by adopting those of the designated Hearing Officer, where applicable, in whole or in part, or by reaching independent findings of fact and penalty determinations. This process shall be concluded at an open public board meeting, reasonable notice of which shall be provided to the parent prior to the meeting.

The Board’s decision (adjudication) will be communicated to the parent within five days of the Board meeting.

Manifestation Determination Evaluation

If a student with an Individualized Education Plan (IEP) faces a suspension or exclusionary offense, qualified members of the FTCES will conduct a Manifestation Determination Evaluation (MDE). If an action is contemplated regarding behavior or involving a removal that constitutes a change of placement for a child with a disability who has engaged in other behavior that violated any rule or code of conduct of Franklin Towne Charter Elementary School that applies to all children, not later than the date on which the decision to take that action is made, the parents are notified of that decision and provided the procedural safeguards notice, and immediately, if possible, but in no case later than 10 school days after the date on which the decision to take that action is made, a review is conducted of the relationship between the child’s disability and the behavior subject to the disciplinary action.

Individuals to carry out review: A manifestation determination review is conducted by the IEP team and other qualified personnel in a meeting.

Conduct of review: In carrying out a manifestation determination review, the IEP team and other qualified personnel may determine that the behavior of the child was not a manifestation of the child’s disability only if the IEP team and other qualified personnel:

1. First, consider in terms of the behavior subject to disciplinary action, all relevant information, including evaluation and diagnostic results, including the results or other relevant information supplied by the parents of the child, observations of the child, and the child’s IEP and placement; and
2. Then determine that in relationship to the behavior subject to disciplinary action:
a. The child's IEP and placement were appropriate and the special education services, supplementary aids and services, and behavior intervention strategies were provided consistent with the child's IEP and placement;
b. The child's disability did not impair the ability of the child to understand the impact and consequences of the behavior subject to disciplinary action; and
c. The child's disability did not impair the ability of the child to control the behavior subject to disciplinary action.

Decision: If the IEP team and other qualified personnel determine that any of the standards above were not met, the behavior must be considered a manifestation of the child's disability.

Meeting: The manifestation review determination may be conducted at the same IEP meeting that is convened to consider the need for a functional behavioral assessment/review or development of a behavior plan.

INTERNET

STUDENT ACCEPTABLE USE POLICY

Franklin Towne Charter Elementary School may provide students with a Chromebook to access tools needed to engage in online educational activities. This includes the FTCES internet-based educational portal, online libraries, curriculum, and other educational tools and materials.

FTCES will provide ongoing technology support as needed to students who are using school issued equipment. The IT (Information Technology) Department operates a Help Desk with a convenient online ticketing system. The Help Desk can also be accessed via phone at 215-289-3389.

FTCES computers are preloaded with the software and settings needed for coursework. The IT Department manages all student computers. This management includes setting permissions on the computer, sending updates via the Internet, and installing programs. Students do not have permissions to install additional software. The FTCES IT Department does not support home Internet networks, including wireless connections. This is because home Internet service and related equipment is provided by a service provider that is not FTCES. The service provider is responsible for supporting families with the Internet service and equipment (routers, switches, access points, extenders). Also, any intervention by FTCES on a home Internet service and hardware may violate the terms of service for the home Internet service and related equipment.

FTCES reserves the right to request the return of computer equipment in the event of damage, improper use, or the withdrawal of a student from FTCES. Improper use may include the installation of unapproved software, accessing unapproved sites, or any use counter to the FTCES educational program and safeguarding of students as outlined below.

Students are also expected to follow the rules set forth in Franklin Towne Charter Elementary School’s rules and regulations governing conduct, disciplinary code, and the law in your use of the school’s network.
   3. Students may not use the Franklin Towne Charter Elementary School network for commercial purposes. This means students may not offer, provide, or purchase products or services through Franklin Towne Charter Elementary School network.

This includes attempting to log in through another person’s account or access another person’s files. These actions are illegal, even if only for the purposes of "browsing."

2. Students will not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses or by any other means. These actions are illegal.

3. Students will not use Franklin Towne Charter Elementary School network to engage in any other illegal act, such as arranging for a drug sale or the purchase of alcohol, engaging in criminal gang activity, threatening the safety of a person, etc.

E. System Security

1. Students are responsible for their individual account and should take all reasonable precautions to prevent others from being able to use their account. Under no conditions should a student provide his or her password to another person.

2. Students will immediately notify a teacher or the system administrator if they have identified a possible security problem. Students should not go looking for security problems, because this may be construed as an illegal attempt to gain access.

3. Students will avoid the inadvertent spread of computer viruses by following the Franklin Towne Charter Elementary School virus protection procedures if they download software.

4. The System Administrator reserves the right to delete user accounts that are not logged on or otherwise used for one year.

5. Students will avoid keeping an online session open when they leave a computer.

F. Inappropriate Language

Restrictions against inappropriate language apply to public messages, private messages, and material posted on Web pages such as, but not limited to, “You-Tube”, “Facebook”, “Instagram”, and “Twitter. This also applies to text messaging, emails, voice messages, and any other internet related resource.

1. Students will not use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language.

2. Students will not post information that could cause damage or a danger of disruption.

3. Students will not engage in personal attacks, including prejudicial or discriminatory attacks.

4. Students will not harass another person. Harassment is defined as persistently acting in a manner that distresses or annoys another person. If a student is told by a person to stop sending those messages, he or she must stop.

5. Students will not knowingly or recklessly post false or defamatory information about a person or organization.

G. Respect for Privacy

1. Students will not re-post a message that was sent to them privately without permission of the person who sent that student the message.

2. Students will not post private information about another person.

H. Respecting Resource Limits

1. Students will use the system only for educational and career development activities and limited, high-quality, self-discovery activities. There is no limit on use for education and career development activities. The limit on self-discovery activities is no more than one (1) hour per week.

2. Students will not download large files, unless absolutely necessary. If necessary, a student will download the files one at a time when the system is not being heavily used.

3. Students will not post chain letters or engage in “spamming.” Spamming is sending an annoying or unnecessary message to a large number of people.

4. Students will check their e-mail frequently, delete unwanted messages promptly, and stay within their e-mail quota.

5. Students will subscribe only to high quality discussion group mail lists that are relevant to education or career development.

I. Plagiarism and Copyright Infringement

1. Students will not plagiarize works that are found on the Internet. Plagiarism is taking the ideas or writing of others and presenting them as if they were your own.

2. Students will respect the rights of copyright owners. Copyright infringement occurs when one inappropriately reproduces a work that is protected by a copyright. If a work contains language that specifies appropriate use of that work, students should follow the expressed requirements. If a student is unsure whether they can use a work, they should request permission from the copyright owner. Copyright law can be very confusing. If a student has questions, they should ask a teacher.

3. Franklin Towne Charter Elementary School abides by the following statement on software and intellectual rights distributed by EDUCOM, a non-profit consortium of colleges and universities committed to the use and management of information technology in higher education: “Respect for intellectual labor and creativity is vital to academic discourse and enterprise. This principle applies to works of all authors and publishers in all media. It encompasses respect for the right to acknowledgement, right to privacy and right to determine the form, manner, and terms of publications and distribution.
4. Electronic information is volatile and easily reproduced, respect for the work and personal expression or others is especially critical in computer environments. Violations of authorial integrity, including plagiarism, invasion of privacy, unauthorized access, and trade secret and copyright violations, may be grounds for sanctions against members of the academic community."

J. Inappropriate Access to Material
1. Students will not use Franklin Towne Charter Elementary School network to access material that is profane or obscene (pornography), that advocates illegal acts, or that advocates violence or discrimination towards other people (hate literature). A special exception may be made, if the purpose of a student’s access is to conduct research and both a teacher and a parent have approved.
2. If a student mistakenly access inappropriate information, he or she should immediately tell his or her teacher. This will protect a student against a claim that he or she has intentionally violated this policy.
3. Parents should inform students if there is additional material that they think would be inappropriate for their child to access. Franklin Towne Charter Elementary School expects that students will follow their parent’s instructions in this matter.

K. Limitation of Liability
1. Franklin Towne Charter Elementary School makes no guarantee that the functions or the services provided by or through Franklin Towne Charter Elementary School network will be error-free or without defect. The School will not be responsible for any damage a student may suffer, including but not limited to, loss of data or interruptions of service. The School is not responsible for the accuracy or quality of the information obtained through or stored on the system. The school will not be responsible for financial obligations arising through the unauthorized use of the system.

VIOLATION OF ANY OF THE ABOVE POLICIES WILL RESULT IMMEDIATE DISCIPLINARY ACTION.

LOSS OF PRIVILEGES

FTCES offers many events and activities to students. Student participation is considered a privilege and will be treated as such. Students may have their privileges revoked at the discretion of the administration. The FTCES Administration reserves the right to place an FTCES student on Loss of Privileges list for behavioral reasons. Privileges can include participation in dances, extracurricular activities, school trips, playground time, pep-rallies, and dress-down events.
1. A student will lose their privileges for reasons including, but not limited to the following: (These numbers do not reset at any time during the year)
   1) Excessive detentions
   2) Excessive absences or lateness
   3) Excessive early dismissals
   4) Accumulation of demerit points
   5) Three (3) or more suspensions for the year
   6) At the discretion of the administration
   7) Violations of the academic policy
   8) Violations of the attendance policy
   9) Second cell phone violation
2. When a student loses their privileges, they will be placed on a list that is available to all staff members who monitor student activities. Students on this list may not participate in ANY FTCES sponsored activity or event regardless of when they are placed on the loss of privileges list. No refunds will be issued for any ticket once the catering bill has been paid even if you are placed on the loss of privileges list after buying a ticket.
3. Students will remain on that list UNTIL NOTIFIED OTHERWISE. Serving a Saturday Suspension, suspension, detention, alone does not restore student privileges. The status of all students will be reviewed on a weekly basis.
4. During the review, any student on the list that has had their privileges revoked, who has not earned more than 2 detentions, has not been late to school more than 2 times, has not been suspended, and has not accumulated any unexcused absences during the review period may have their privileges restored. If they are not notified, their privileges are still revoked.
5. A second cell phone violation will automatically place a student on the loss of privileges list immediately upon the violation. Once a student is on the list, they may not attend any FTCES sponsored event, regardless of when the event is and if a ticket has already been paid for.
6. Any 8th grader who is placed on Loss of Privileges will also lose all 8th grade privileges for the duration of their stay on Loss of Privileges.

PLANNERS

All 5th-8th grade students at FTCES will be issued a planner prior to the start of school. The planner has useful information including reference material, and the school code of conduct. Students in grades 5-8 must have their planner with them at all times. The planner has a weekly hall
pass in it. This pass must be filled out and signed by a teacher if a student in grades 5-8 has to leave the classroom. Students in grades 5-8 must purchase a new planner to replace a lost or stolen one immediately at the cost of $5.00.

**ADMINISTRATIVE SUSPENSION**

We reserve the right to hold a program for rules violations on Friday’s after dismissal, Saturdays, or days off. A student may receive a referral for Administrative Suspension for any of the following violations for a minimum of two (2) hours:

3. Excessive lateness to school or early dismissal (At no time do the number of times late to school "reset")
4. Skipping Class or School

1. If a student does not attend a scheduled Administrative Suspension and does not provide the school with medical documentation to excuse the absence upon return to school, they will be suspended for at least two (2) days and may be referred for expulsion.
2. Lateness will be counted as cutting Administrative suspension. If a student is late, they will be asked to leave and they will be suspended.
3. Students must be in complete uniform, including a valid school ID, or it will be counted as cutting Saturday suspension.
4. Students must bring school related work to do during suspension. If work is not completed, it will be counted cutting Saturday suspension. It is the student’s responsibility to bring all materials they need with them to the Saturday suspension including books, pens, pencils, calculators, etc.
5. Administrative suspensions will be considered a suspension but will not require a parent reinstatement.
6. Eating, drinking, talking, sleeping, putting one’s head down, and using electronic devices will not be permitted during the Saturday program.

**SLEEPING IN CLASS**

Due to concerns regarding student health and student safety, students are not permitted to sleep in class for any reason. If a student is sleeping, the teacher will address the student and refer them to the nurse if necessary. Continued instances of sleeping will result in disciplinary action.

**SMOKING**

FTCES, by law, is a non-smoking building. Smoking is not permitted within the building or on the school grounds. Students who are found to have cigarettes, lighters, or matches will have them confiscated and disposed of, regardless of their age.

Additionally, the Commonwealth of Pennsylvania, under the provisions of Act 168, 1988, states that anyone violating the provisions of the law with regard to using tobacco in a school is to be sentenced to pay a fine of not more than $300.00 and the costs of prosecution for each violation. Failure to pay the fine and all costs will be punished by imprisonment of up to 90 days for each violation.

**IV. BUILDING PROCEDURES**

**BATHROOMS**

Students will be permitted to use the bathrooms during the school day at the discretion of their teachers. Students must leave all their belongings in the classroom and may not take anything into the bathroom. Students will sign in to use the bathroom. Students must act appropriately while using the bathrooms and will face appropriate disciplinary action for any violation of the FTCES code of conduct.

**CAFETERIA PROCEDURES**

The cafeteria, besides being a lunchroom, can also be a place where friendships are made. Each student is expected to practice the general rules of good manners. Some simple rules of courteous behavior, which make the breakfast/lunch period pleasant and relaxed, are:

- Observing good table manners
- Leaving the table and surrounding area clean and orderly
- Remaining seated while eating
- Not wasting food
o Being polite in the lunchroom
o No yelling, running, or horse playing

- Students must follow all school rules and specific posted cafeteria rules at all times while in the cafeteria.
- Students are permitted to bring packed lunches to school; glass containers are not allowed.
- Upon entering the cafeteria, students must find a seat at their designated lunch table.
- Students who are purchasing lunch must wait at the lunch table until a staff member releases them to the designated lunch line.
- Students must pay for any and all food that they choose PRIOR to leaving the breakfast/lunch line.
- Students will be notified when the bathrooms are closing, when their tables must be cleaned up, and when they may transition to their next class. Students are reminded to use the proper receptacles to discard items when cleaning up.
- Students are responsible for keeping their lunch tables clean. If a lunch table is left unclean, the entire lunch table will be held accountable, and the entire lunch table may receive a disciplinary infraction.
- Students are not permitted to leave the cafeteria unless given approval by a staff member to do so.
- Food and drink may not be taken outside the cafeteria. Food and drink removed from the cafeteria will be confiscated and disciplinary action may be taken.
- Throwing food or any other item in the cafeteria will result in appropriate disciplinary action.

Birthday Celebrations

Students are permitted to bring in individually wrapped snacks that will be dropped off to the front desk and brought to the cafeteria. The individually wrapped treats will be passed out during that child’s lunch period. Deliveries, such as pizza, water ice, ice cream, etc., during the school day will not be accepted and will not be given out during lunch. Birthday celebrations will not take place within the classroom. Additionally, balloons, gifts, and flowers are not permitted.

Elevator Use

Students who have physical disabilities or injuries must have a doctor’s note stating the nature of the injury or disability and needed length of use to obtain an elevator pass to use in order to get around the building. Students who ride the elevator without permission are subject to disciplinary action. Students must obtain an elevator pass from the Administration and the pass must be worn around the neck.

Evacuation Drills

Fire Drills are held regularly during the school year. To ensure rapid and safe evacuation of the building, students must follow these rules:
- Upon hearing the alarm, students are to stop working and follow the instructions of their teacher;
- Students are to proceed quickly, silently, and in an orderly manner to their assigned exit stairwell; students are to remain silent for the entire event in order to be able to hear all directions except to report an emergency situation to a staff member.
- Windows are to be closed
- Lights are to be turned off
- The last one out of the room is to close the classroom door and turn off the lights;
- Students are to leave quietly with their teacher so they may hear emergency instructions;
- Upon exiting the building, students are to gather with their teacher in a group at their assigned meeting place
- In the event of an actual fire, the teacher must be able to take roll to identify any missing students. This process is most serious.
  Please cooperate and do not wander away from your teacher
- Upon hearing the “All Clear” signal, students are to return in an orderly manner to the classroom from which they had exited.

Students who illegally pull a fire alarm may be arrested, fined, and may be referred for expulsion when identified.

Food and Drink in Classroom

Students may be permitted by their teacher to eat a healthy snack or drink a bottle of water (no glass containers) during a snack break. On special occasions, certain classes may serve refreshments as part of a special event. This opportunity must be approved in advance by Administration.

Dangerous Procedures

As determined by Administration, a crisis situation may require a lockdown (staff and students remain in current locations with doors locked), an
evacuation, or a combination of both. The staff will be notified by direct language (for example, “Franklin Towne is in a dangerous situation”). This message may be conveyed by public address system, room by room visitation or direct communication with a staff member with a walkie-talkie. The message will state the dangerous situation and the floor and area on which person, or persons, have been spotted.

LOCKERS

Lockers are the property of FTCES. The Administration of FTCES reserves the right to enter lockers at any time without the permission of the student assigned to the locker. Students are not to share lockers. Any student who accesses another student’s locker will be issued a disciplinary infraction, which may include an In School Suspension. Students accessing lockers between classes must be responsible for getting to class on time. A student accessing his or her locker is not an excuse for being late to class.

LOST AND FOUND

Students who lose clothing, book bags, and textbooks should report to the lost and found area, located in the rear of the cafeteria, during their scheduled lunch period to see if the items have been found. FTCES is not responsible for any lost, stolen, or confiscated property.

PROHIBITED MATERIALS

Items determined prohibited by Administration will not be permitted anywhere on school premises. Such items include, but are not limited to, cameras, playing cards, laser pens/lights, disruptive, hazardous or offensive toys, novelty items (e.g. fidget spinners), balloons and other party favors, chain wallets, excessive jewelry, drug paraphernalia, glass bottles, body spray, cologne and perfume. These items will be confiscated and only returned to a parent or guardian and appropriate disciplinary action will be taken.

SCHOOL STORE

The school store will be open to all students prior to school and during lunch periods. The school store can be found in the front lobby, and sells a wide variety of merchandise including, uniforms, clothing with school logo as well as other school-related products. All items in the school store are available for purchase through the website at https://franklintowne-elementary.square.site/. The website can be accessed through the school website under Student Life. An email will be sent when the order is complete and ready for pickup. Pickup is available at the main entrance of the school. Please do not attempt to pickup orders prior to receiving the ready for pickup email. Shipping is not an option for orders. The School Store is the only location to purchase “Towne” dress down clothing.

SECURITY PROCEDURES

Upon entering the building, students must scan into the building and pass through a security check point. The law of the State of Pennsylvania, with regard to a student who is found to be in possession of a weapon, states that the student is to be arrested and expelled from school. Weapons are defined as, but not limited to, any knife, box cutter, cutting tool, num-chuk, firearm, starter pistol, explosive device, or any tool or instrument capable of causing serious bodily harm. There is no requirement that the student use or try to use the weapon. Possession for self-protection is not a defense. If a student is in possession of any contraband, illegal drugs, cigarettes, lighters, or glass bottles, the item(s) will be confiscated and not returned. If appropriate, the student may be arrested, suspended, and disciplined.

STUDENT SEARCH AND SEIZURE

In order to protect the health, safety, and welfare of the students, faculty, and staff, FTCES reserves the right to search students. During a search, students and their belongings (including lockers, book bags, purses, etc.) will be examined for weapons, drugs, alcohol, stolen property, and other contraband materials. If a student is found in the possession of items that are illegal or are not permitted in the school, the student will be charged with the appropriate school offense and if the item is illegal the Philadelphia Police Department will be notified. If the police are notified and they deem it appropriate, the student will be arrested, and charges will be pressed. Any student who refuses a search, or refuses to cooperate with school staff, is subject to expulsion from FTCES.

FTCES reserves the right to use hand-held and stationary metal detectors for use during student searches. If either of these instruments determine that a student is in possession of a detectable item, including cell phones, the student will be subject to a more extensive search by a same sex school employee to the extent necessary to identify and secure the detected item. If an item of contraband is found during the search, the student will be suspended for not relinquishing the item upon request. If the student does not relinquish the detected item, and does not comply with the search, they will be referred for expulsion.
TELEPHONE USAGE

If a student needs to contact a parent, he/she may ask permission from a teacher, counselor, front desk personnel, or an administrator. Students are not permitted to use any other school phone and are not permitted to use a school phone without permission. School phones can be accessed by students at the front desk during a student’s lunch.

VISITORS

All visitors must enter through the front entrance of the school. Please report to the receptionist’s counter in the vestibule to sign in and obtain a visitor’s pass. Please sign out when leaving the facility. Anyone found in the building without a visitor’s pass would be considered trespassing.

WAIVER OF STUDENT IMAGE

FTCES takes great pride in our students, their activities, and the promotion of these activities through multi-media resources. By accepting enrollment at FTCES, you are granting the school permission to use your child’s image in any school related video, picture, or publication.

V. EMERGENCY CLOSING OF SCHOOL

Closing of school prior to the opening of school: All school closings will be listed on our school website which is www.franklintowne.org. Listen to or watch any local TV news station for our school closing number or other closing information. FTCES’ KYW school closing number is 1317.

Closing of school during the school day: If a weather development arises after school has started every effort will be made to have the information of an early closing broadcast on all local news stations and on the school’s web site. Also, since the Philadelphia School District controls the bussing services, there will be times that we are limited in the advance notice that we can provide. FTCE will make every effort to alert parents/guardians as soon as decisions are made with regards to notice. If an early dismissal is called, children that are scheduled to ride buses home will be placed on the bus when it arrives.

Late Admission: If weather is prohibitive, and a 2-hour delay is called for, proper notification will be provided via local news and radio stations as well as via the school’s website. There will be no breakfast service if a 2-hour delay is called for. Additionally, if your child is absent during a 2-hour delay day, they will be charged with a full-day absence.

VI. NON-DISCRIMINATION POLICY

FTCES, an equal opportunity employer, will not discriminate in employment or education programs or activities based on race, color, religions, age, national origin, ancestry, physical handicap, sex, sexual orientation, union membership or limited English proficiency. This policy of non-discrimination extends to all other legally protected classifications. Publication of this policy in this document is in accordance with state and federal laws including Title IV of the Education Amendments of 1972 and Sections 503 and 5094 of the Rehabilitation Act of 1973.

VII. STUDENT HEALTH

IMMUNIZATION OF STUDENTS

All FTCES students must provide documentation of completed immunizations prior to admission to school. This is a requirement of the Pennsylvania Department of Health, the Philadelphia County Board of Health, and the FTCES Board of Directors. The purpose of requiring immunization is to protect students from preventable communicable diseases and their medical and educational complications.

Required Immunizations:

Students for the 2021-2022 school year need:
ALL GRADES:

- Tetanus, Diphtheria, Pertussis (DTP/Dtapt/DT or Tdap)  Four (4) doses, 1 dose at/after age four (4)
- Polio (OPV/IPV)  Four (4) doses, 4th dose at/after age four (4), at least 6 months after previous dose
- Measles, Mumps, Rubella (MMR/MMRV)  Two (2) doses, at/after age one (1)
- Hepatitis B (HBV)  Three (3) doses
- Chicken Pox (Varicella/MMRV)  Two (2) doses, at/after age one (1), or history of the disease

7th GRADE:

- Meningococcal Conjugate Vaccine (MCV4)  One (1) dose, at/after age two (2)
- Tetanus, Diphtheria, Pertussis (Tdap)  One (1) dose, at/after age seven (7)

The school nurse will review a student’s medical records for compliance. Students are required to have all immunizations as of the first day of school. Those students found to be lacking certain immunizations will be excluded from school until proof of required immunization is submitted to the school. Requirements are subject to change.

Medical & Dental Exams

Per Pennsylvania Code:

- Medical examinations are required upon enrollment into FTCES and in grade six (6). The school medical examination should be conducted by the family physician and reported to the school on a physical exam form supplied by the school. Children who have transferred from other school systems must be examined as soon as possible after the transfer, regardless of their age or grade, if an adequate health record is not made available by the original school.
- Dental examinations are required upon enrollment into FTCES and in grades three (3) and seven (7). The school dental examination should be conducted by the family dentist and reported to the school on a dental exam form supplied by the school. Children transferred from other school systems must be examined as soon as possible after the transfer, regardless of their age or grade, if an adequate dental record is not made available by the original school.

NURSE’S OFFICE

Students who become ill or injured during the school day are cared for in the Nurse’s Office. When a student needs to be sent home for illness or injury, a parent or emergency contact is notified. A parent or emergency contact must come to the school to pick up the student. The parent or emergency contact must have picture ID.

In cases of an acute emergency, a parent is notified, and the student is transported to the nearest hospital. A staff member will be assigned to go with the student. The staff member will remain at the hospital until a parent/guardian arrives. Long-term illnesses are to be reported to the school nurse and counselor so that an application for homebound instruction can be completed and/or other arrangements can be made for the student.

If a child needs to use the school elevator for medical reasons, it will be the responsibility of the parent/guardian to provide medical documentation, in the form of a verifiable note from a doctor, to the school nurse for review and approval.

PRESCRIPTION AND NON-PRESCRIPTION MEDICATIONS

Parents who wish to have prescription medication given to their son/daughter during school hours must submit a Request for Administration of Medication form. The form is to be completed and signed by the student’s doctor and parent.

Students who are on medication but are not required to use it during school hours, should inform the school nurse of its use. Many medications have side effects and school staff should be informed.

Any over-the-counter or prescription medication must be brought in to the school by a parent/guardian, must have a private physician’s order, and must be submitted to the nurse. Students are not permitted to transport over-the-counter or prescription medication to or from school. If a student is found in possessions of over-the-counter or prescription medication, it will be confiscated, and the student will face the appropriate disciplinary infraction outlined in the school’s code of conduct.

If a child takes a daily medicine at home, and forgets to take it prior to coming to school, then a parent/guardian may bring that medication to school during the course of the day. However, the parent/guardian must administer that medication to their child. They may not drop it off for the school nurse to administer.

STUDENTS ARE NOT TO SHARE THEIR MEDICATION WITH ANOTHER STUDENT.
Asthma Inhalers/EpiPen Policy:
Parents are responsible for notifying the school nurse if their child will need to use an inhaler or EpiPen during the school year. Parents/guardians will need to obtain a Request for Administration of Medication Form from the school nurse and supply the medication in a labeled pharmacy container with the student’s name, name of the drug, and dosage to be given. The prescribing physician must provide the name of the drug, the dose, the time to be given, diagnosis, and symptoms for when the medication is to be taken, as well as any serious reaction that may occur and necessary emergency response. This form must be signed by both parent and prescribing physician. It is the parent’s and prescribing physician’s responsibility to know the expiration date of the medication and to ensure it is replaced as needed.

Students are permitted to keep Asthma inhalers and EpiPens with them at all times due to the need for its immediate use. The prescribing physician or parent is responsible for instructing the student on how to administer the medication, after which the student must be able to demonstrate to the nurse that they know when and how to properly self-administer the medication. Students are to keep their medication in a safe place and are to never share their medication with another student. If this policy is abused or ignored by the student, their medication will be confiscated with a loss of privilege to carry it and will face disciplinary action. Students are to notify the nurse via any school personnel whenever they have used their medication. If an EpiPen is used, 911 will be called upon notification of its use.

**EXTRACURRICULAR ACTIVITIES**

Students of FTCES are encouraged to participate in activities beyond the classroom. These activities provide the opportunity for a student to expand his/her skills in another area of interest. FTCES provides students with a variety of athletic and co-curricular activities.

Some possible clubs offered may include:
Honor Society
Music Club
Sports Club
Student Government
Yearbook
Renaissance

All students must meet the school’s requirements of respectable attendance, grades, and discipline in order to participate in any extracurricular
activities. The FTCES Administration reserves the right to deny participation to any person not meeting the school’s requirements. Students absent from school on the day of an extracurricular activity will not be permitted to participate. Students who miss class time for any activity are responsible to make up missed work.

IX. TITLE I

FTCES receives federal funding through Title I, Part A – Improving Basic Programs. This federal program provides financial assistance to schools with high percentages of economically disadvantaged students to ensure that children meet challenging state academic standards. Since more than 40 percent of the FTCES student body are classified as economically disadvantaged (as determined by participation in the National School Lunch Program), FTCES uses Title I funding to operate a school wide program to upgrade the instructional program for the whole school. Our school wide Title I program is based on effective means of improving student achievement and includes strategies to support parental involvement.

More than 50,000 public schools across the country use Title I funds to provide additional academic support and learning opportunities to help low-achieving children master challenging curricula and meet state standards in core academic subjects. For example, funds support extra instruction in reading and mathematics, as well as special preschool, after-school, and summer programs to extend and reinforce the regular school curriculum. In 2019-20, FTCES will use our Title I funds to:

• Provide high-quality professional development and training to our teachers to ensure that our staff members have the skills necessary to raise student achievement and implement our curriculum.
• Support the salaries and benefits of Highly Qualified Teachers teaching in FTCES’ schoolwide project.
• Retain the positions that have allowed us to reduce class sizes and provide more course offerings in math, English, and science.
• Provide opportunities for increased parent involvement, including providing electronic access to student grades, attendance, homework, etc. through programs such as Infinite Campus.
• Coordinate the strategic integration of technology into all aspects of the school program.
• Hire/retain specialized staff to reduce student behavioral and social barriers to learning (i.e. Dean of Students and School Psychologist), coordinate student access to technology (i.e. Technology Coordinator) and conduct curriculum development activities and staff development (i.e. Assistant Principal).
• Continue implementation of Tenex, our integrated school management software system.
• Offset the costs of independent audit, specifically with regard to federal programs and the expenses associated with managing our federal programs.

Annual Title I Meeting:
FTCES invites parents to attend our annual Title I information meeting, which will be held at our Back to School Night. At this meeting we will describe our participation in Title I, Part A programs, explain the requirement of Title I, and explain parents’ right to be involved (including developing our Title I Parent Involvement Policy and Parent Compact).

Parent Rights Under Title I:
Under Title I, Part A, FTCES parents have the right to:

• Be involved in our Title I, Part A programs – FTCES, with the help of its parents, will develop and implement a Title I Parent Involvement Policy and a School-Parent Compact.
• Request regular meetings – Requests for meetings to discuss Title I programs should be put in writing and submitted to the Federal Programs Coordinator in the Main Office.
• Know teacher and paraprofessional qualifications – Parents may request, and FTCES then will provide, certain information on the professional qualifications of the student’s classroom teachers and paraprofessionals providing services to their children. Requests should be put in writing and submitted to the Principal in the Main Office.
• Know non-highly qualified teachers – FTCES will provide to each individual parent timely notice that the parent’s child has been assigned, or taught for 4 or more consecutive weeks by a teacher who is not highly qualified as defined by No Child Left Behind guidelines.

As a Title I school, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about your child’s teachers’ training and credentials. We are happy to provide this information to you. At any time, you may ask:
• Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
• Whether the teacher received an emergency or conditional certificate though which state qualifications were waived, and
• What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child received help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional’s qualification(s).

The Every Students Succeeds Act (ESEA) which was signed into law in December 2015 and reauthorizes the Elementary and Secondary Education Act of 1956 (ESEA) includes additionally right to know requests. At any time, parents and family members can request:
• Information on policies regarding student participation in assessments and procedures for opting out, and
