Franklin Towne administration reserves the right to make additions and/or changes to the student handbook during the course of the school year. If any additions and/or changes are made during the course of this school year, those changes will be posted on the school’s website, and the appropriate changes will be made to the online student handbook found on our school website. If the handbook that is distributed to the student conflicts with what is posted in the online student handbook on the website, the online version takes precedence. It is your responsibility to keep up to date with any and all changes made to the online student handbook by monitoring the school’s website.

Students who do not achieve a grade of 70 or better in their academic classes each year will not be promoted to the next grade level or granted graduation status until the proper credits are attained. This includes all incoming transfer students as well.

Students may gain the necessary credits by enrolling in a pre-approved summer school program; either through a Franklin Towne program (if available) or another accredited institution approved by Franklin Towne. FTCHS reserves the right to deny credit received at any non, pre-approved program or based upon a review of the summer school program and the student’s mastery of subject matter.

All transfer students are required to provide documentation of prior coursework. Failure to provide such documentation may result in students re-taking required classes and delaying graduation.

Grading Scale: FTCHS has adopted the following scale

- A+= 100-95
- A= 94-90
- B+= 89-85
- B= 84-80
- C+= 79-75

Advisory/Study Hall: All students will have an Advisory/Study Hall. The period will begin with advisory by conducting school business during which daily announcements will be made, written communication to parents will be distributed, absence notes will be collected, etc. Following the conclusion of school business, students are to spend the remainder of the period in silent study or at scheduled events. During Advisory, students may receive appointment slips to see their teachers for tutoring and missing work. Students are not permitted to leave Advisory/Study Hall at any time without written authorization that must be presented to their Advisory/Study Hall teacher.

Study Hall Rules

- Students are to remain silent for the entire period
- Any questions must be directed to the teacher by raising your hand
- Students are to remain seated in their assigned seat for the entire period
- Students must be working on school related work or reading silently for the entire period
- Students must come prepared for Study Hall.
- Students are not permitted to put their head down in any manner
Senior Study Hall: Seniors may be assigned to a Senior Study Hall period by school administration or guidance counselors in relation to general academic concerns that arise when students are academically in danger of failing or are failing to complete required coursework. Students will remain assigned to Senior Study Hall until all work is completed and the school or guidance counselor determines that all academic issues have been addressed. During senior study hall, students must have school-related assignments on which to work. All study hall rules will apply. If a student assigned to senior study hall is late to school, they are allotted five (5) minutes to report to their assigned room. Failure to report to study hall will be considered cutting a class.

Online Grading: Franklin Towne Charter High School utilizes PowerSchool as our online gradebook. This system can be accessed via our school website at www.franklintowne.org. Online grading allows students and parents access to all grades and assignments and is updated daily. Each student and parent will receive passwords to access the system. Students and parents are required to monitor the school website regularly for important updates and information. Through PowerSchool students and parents must monitor test scores, homework assignments, student attendance and behavior notifications.

Teacher Websites: All teachers keep updated and accurate teacher websites that provide important information regarding their classes. Students and parents are required to monitor the teacher websites regularly for important updates and information.

ACADEMIC DISHONESTY

The goals and intent of the education provided for students at Franklin Towne is embodied through the school’s mission. Instruction is driven towards students’ mastery of content and preparation for continuing education at the postsecondary level. It is expected that through the various programs, policies, and resources in place at the school, teachers will be able to support student success and learning appropriately. It is imperative that a student’s grade be based upon their true performance on assessments and mastery of the skills and concepts set forth in learning objectives for each grade level and course. Students who participate in academically dishonest behaviors undermine the mission of the school and such behaviors will not be tolerated.

Academic Dishonesty is defined, but not limited to, violating the school’s academic integrity guidelines in one of three areas: cheating, copying/unethical collaborating, and plagiarizing.

Cheating: is defined as using an unfair and non-permitted method to increase a score on a tests/project, homework, or classwork.

Examples of cheating include, but are not limited to:

1. Using crib notes or a cheat sheet on a test
2. Copying from another student on a test, with or without the student’s knowledge
3. Using unfair methods to find out in advance what will be on a test, such as stealing a copy of the test, telling students in a later block what was on a test, staying home from school/skipping class in order to ask a classmate what was on a test
4. Taking an exam for someone else or having someone take an exam for you
5. Changing an answer after an assessment was graded and reporting it as a scoring error
6. Giving a false excuse for missing an exam or deadline

Copying/unethical collaboration: copying is defined as the outcome of two or more students working together to produce identical work of which the teacher directed to be completed independently.

Examples of copying include, but are not limited to:

1. Working with another student for any assignment which the teacher has asked for individual work
2. Allowing another student to copy your work
3. Turning in or copying a student’s work from a previous semester or year
4. Copying math solutions from an online source.

Plagiarism: Plagiarism is defined as the presentation of another writer’s ideas or words as if they were your own, without properly acknowledging the source.

Examples of plagiarism include, but are not limited to:

1. Copying clauses, sentences, or paragraphs of material, as well as ideas, from any published print, oral or digital source without completely and correctly citing it
2. Paraphrasing of clauses, sentences, or paragraphs of material, as well as ideas, from any published print, oral or digital source without completely and correcting citing it
3. Falsifying quotations by fabricating them, editing them, attributing them to the wrong author or attributing them to the wrong source
4. Fabricating or falsifying a bibliography by listing real but unread sources, sources not used at all, editing sources to appear credible or not listing sources used
5. Using a paper for more than one class without teacher approval
6. Writing a lab report without doing the experiment and falsifying lab data

Penalties for Academic Dishonesty are:
1. First offense: teacher issues a detention for cheating (based on severity, an additional penalty up to a (1) day suspension may be issued) and the teacher has the option to allow students to redo the assignment at a reduced grade. Three demerits assigned per the detention.
2. Second offense: teacher reports instance to the Dean for a suspension (based on severity, any penalty up to three (3) days suspension) and zero points will be issued for the assignment.

ACADEMIC POLICY FOR FTCHS ATHLETES
Weekly grade checks: In season Athletes grades will be checked every Tuesday during Advisory. At the time of the grade check student must have above a 70% for all of their classes and an overall passing grade in the class. If an athlete is not passing a class/es by a 70% they are unable to leave school for Sporting Events. They are able to practice with the team, unless told otherwise by administration.
Students Failing a Marking Period: Any athlete that fails a Marking Period during or before their respective season must carry a grade that makes their overall passing grade above a 75%. If it is deemed that the student athlete is not giving their best performance in class they are in risk of long term athletic discipline or removal from the team.

BLOCK SCHEDULING
To best prepare FTCHS students for the demands of college studies, FTCHS will operate in a Block Format during the 2021-2022 school year. Block scheduling is a type of academic scheduling model in which each student has fewer classes per day for a longer duration (80 minutes instead of 45). By utilizing a Block Schedule, FTCHS students will have more time in their core academic classes and our teachers will have the valuable time to engage their students in truly meaningful activities

COURSE SELECTION & ROSTER CHANGE POLICY
By spring of each school year, students will receive a course selection packet for the following school year. Students are encouraged to review these selections with their parents and return the required form to the school by the set deadline. Parents and/or students are welcome to discuss requests with counseling staff. All Course Requests are submitted through PowerSchool.
Each Fall/Spring upon receiving their rosters, students seeking to change their rosters must first complete a roster change form available from their counselor. Only roster change requests deemed acceptable by the administration will be approved. Roster requests will only be accepted during the first two weeks of the semester

FUTURE PLANNING
Meant to address personal, academic and future preparation, the Franklin Towne Future Planning Curriculum is a multi-year program that includes activities students complete in each grade level towards exploring their post-high school plans, career and college aspirations. Counselors utilize the College, Career and Life Readiness Framework through the Naviance platform. This framework focuses on social/emotional learning, interpersonal skills, academic skills, career knowledge, college/education knowledge and transition skills. We believe that students will be most successful if they are taught how to set and implement goals and are encouraged to expand their horizons and gain the information necessary to make good decisions. Our focus is to help students begin to think about their futures, and explore opportunities, then create and implement a well thought out plan.

HOMEWORK & PROJECTS
All students are expected and required to complete all homework and projects completely and on time. Completion of homework and projects is valued at Franklin Towne as an important action towards academic success. If students are unable to complete projects on time or sufficiently in adherence to teacher directions, they will be met with by their teachers through after school appointments in order to determine any support that is needed and a new deadline by which the project must be submitted. Any
Homework Policy and Homework Detention Rules

- Any student who fails to turn in a completed homework assignment on time, will be issued a homework detention by the teacher, which must be served the day it is issued.
- Students will receive a written copy of the homework detention assignment.
- Homework Detention is held every day after school, students are required to attend ten (10) minutes after the bell for dismissal. On Wednesdays and Fridays, 2:10 pm – 2:40 pm or 2:10 pm – 3:10 pm; Monday, Tuesday, and Thursday from 3:10 pm – 3:40 pm or 3:10 pm – 4:10 pm. If a student does not hand in the missing homework by the end of the detention session, they must hand in the completed homework to the teacher the next day they are in class. Homework handed in after the initial detention will receive zero credit. If a student fails to hand the homework completed again, they will again receive a homework detention that day, and every day until the teacher determines that the homework has been completed to a satisfactory level. On the third straight day of missing the same homework, a student will be referred to the Dean of Students for further disciplinary action which may include, but not limited to, a Saturday Suspension.
- If a student has a homework detention on the same day they have a regular detention, they serve the homework detention on the day it was issued, and they serve the regular detention on the next day they are in school.

After the appointment is over, the student must arrive for the homework detention with their planner signed, it will last thirty (30) minutes from the time of their arrival. It is the student’s responsibility to inform the teacher that they have a homework detention that day and must leave the appointment to be on time for the detention.
- If a student has an early dismissal on a day they were issued a homework detention, they must serve the detention on the next day they are present in school.
- If a student receives multiple homework detentions in one day, they must serve one detention the day they received the homework detentions, and they will be assigned a two-hour Monday detention as well.
- Students have until 5:00 pm to hand in homework from all classes to still have a chance to receive credit for the assignments.
- Students must bring work to do in detention.
- Failure to follow rules in detention will cause a student to be removed from detention. This will result in an automatic suspension.
- If a student cannot attend a homework detention because of a medical appointment, the homework detention will be postponed for the following day only if the student brings in medical documentation to the front desk no later than the following morning to confirm they attended the appointment.
- If a student cannot attend a homework detention because of work the homework detention will be postponed for the following day only if the student provides a phone number to the front desk and the schedule can be confirmed on the day they received the homework detention.

SPECIAL EDUCATION
FTCHS provides a first-class special education program for students with special needs. FTCHS employs three main models for educating students with special needs: inclusion, learning support, and life skills. Students are placed in the Least Restrictive Environment based on their Individualized Education Program (IEP). Newly enrolled students that indicate they currently receive special education services will meet with the special education coordinator or a case manager to review their documents, ensure necessary supports are in place, and ensure appropriate academic placement. For further information on policies and procedures please contact the Special Education Coordinator.

SUMMER SCHOOL
Students who do not achieve a grade of 70 or better in their academic classes each year will not be promoted to the next grade level or granted graduation status until the proper credits are attained. This includes all incoming transfer students as well. Students may gain the necessary credits by enrolling in a pre-approved summer school program; either through a Franklin Towne program (if available) or another accredited institution approved by Franklin Towne. FTCHS reserves the right to deny credit received in summer school based upon a review of the summer school program and the student’s mastery of subject matter.

Students who attend summer school, whether at Franklin Towne Charter High School or another accredited, FTCHS-approved summer school will have both their final grade from the year and the final summer-school grade added to their transcript. The grade from a summer school course taken as a result of having failed a course at Franklin Towne during the school year will not replace the final failing grade. All FTCHS rules and regulations apply to summer school. Refer to Promotion and Graduation Requirements for policies related to gaining credit through summer school courses.

TESTING PROGRAM
Keystone Exams
The Keystone Exams are end-of-course assessments designed to assess proficiency in various subjects. The exams are aligned to national academic standards. All FTCHS students are required to demonstrate proficiency on the Algebra, Literature and Biology exams. Students enrolled in courses associated with the available exams or who are juniors who have yet to take or prove proficiency on the exams must participate in the administration of Keystone exams during the school year. Keystone exams are administered each year when prescribed by the Pennsylvania Department of Education. Students subject to these examinations are required to be in school on the days testing is administered. Parents have the right to view a copy of a Keystone exam prior to testing to determine if any items on the test conflict with religious views. Viewing of the test must be in the presence of a school administrator and the testing coordinator, and a written request must be submitted.

TEXTBOOK POLICY
Textbooks and other published materials will be issued to students that contain specific school identification numbers or through an online access program. Each student is responsible for the care of the materials that were specifically assigned to them. At the conclusion of a course, these materials will be collected, and each student must turn in materials that were issued to them. If they do not return these materials that were assigned to them or they are not paid for in full before the end of the course, that student will not be receive credit for the course and their grade will be withheld until payment is made.

TRANSCRIPTS
A student that applies to college, technical school, scholarship agencies or other such institution will need to request an official transcript (a listing of all courses taken with corresponding grades). Current students request transcripts through the Naviance system. All official transcripts are transmitted directly to the receiving institution electronically. Students requesting transcripts should enter those requests at least 3 weeks prior to the required deadline to allow for processing time, on our end as well as the receiving institution. Students who have graduated from FTCHS will be charged a fee of $5.00 for requested transcripts.

II. ATTENDANCE
Franklin Towne Charter High School is committed to supporting all students in gaining the skills and knowledge they need to be successful. To accomplish this goal, all students are expected to attend school daily. Each day a student misses is a lost day of valuable instruction. Even a few days absent will cause a student to fall behind in instruction.

All students must swipe into the building prior to 8:05 a.m. and must be seated in their first assigned class prior to the bell at 8:10 a.m. Attendance is taken daily. If your child does not attend school, it is your responsibility to communicate that to the school. In the event they are absent, please be sure to check the online grading system and teachers’ websites or email their teachers for missed homework and assignments. If your child has excessive absences, you will be required to come to the school to help develop an attendance improvement plan for your child. You can check the online grading system at any time to verify student attendance.

The school building will officially open at 7:30 a.m. Students are not permitted in the building prior to 7:30 a.m. unless there are qualified personnel in the building to supervise them for safety and security reasons. All students may enter the main building through the student entrance at 7:30 a.m. Students will be permitted to proceed to their lockers/classrooms at 8:00 a.m. All students must swipe into the building prior to 8:05 a.m. and must be seated in first period prior to the bell at 8:10 a.m. to avoid being marked late.

An absence is defined as a day that a student does not attend at least 2 1/2 blocks of school on a regularly scheduled school day. The school reserves the right to determine whether the student will receive credit for the day based on the nature of the absence. Any student who is absent from school or requires an early dismissal will be restricted from attending any after school activity. Students are required to be in school for the full day to attend any school sponsored extracurricular activity, including sports competitions, dances, proms, meetings, or events.

Excused Absences: For your student’s absence to be excused, the school must receive a note from the parent or guardian within 72 hours of your student’s return to school. Absent notes must be submitted electronically and will not be accepted later than 72 hours after the return date. To submit an excuse note, the parent/guardian should select the Towne Parents icon at the top of https://hs.franklintowne.org/, then the Attendance icon on the left-hand navigation bar. You will be given a submenu from which to choose “Absence Note” where you can submit electronically. If you need to submit a doctor’s note for your student, please email a picture or scanned image of the doctor’s note to attendanceclerk@ftchs.org. The school reserves the right to request a hard copy of any medical documentation submitted.

The following are recognized as legitimate reasons for an excused absence:
1. Illness of student
2. Death in the family
3. Religious observance (Written notice must be submitted to the Dean of Students at least 24 hours prior to the absence to be excused.)
4. Documented Court Appearance

For any doctor’s note to be recorded as excused, the note must be emailed to attendanceclerk@ftchs.org and include the following:
1. Student’s full name
2. Doctor’s name with Doctor’s Signature (office stamp is not acceptable)
3. Date seen
4. Reason for visit
5. Reason student cannot attend school
6. Date student can return to school
7. Any follow-up if applicable

Franklin Towne reserves the right to reject any absence note from a parent or doctor if it does not comply with the requirements above or is deemed unacceptable, in which case the absence will be recorded as unlawful. This includes forging signatures, falsifying documents, or altering the documentation in anyway.

Unlawful Absences: An unlawful absence is defined as a day that a student does not attend at least 2 1/2 blocks of school on a regularly scheduled school day AND does not submit proper documentation as outlined above within 72 hours of the student’s return to school from the absence. The school reserves the right to determine whether the student will receive credit for the day based on the nature of the absence.

Accumulated Absences: After a student’s eighth (8) absence per school year, whether excused or otherwise, a doctor’s excuse will be required for any additional absences. Absences not covered by the appropriate documentation will be deemed unlawful.

Consecutive Absences: When a student is absent for more than two consecutive days a doctor’s note must be provided in order for the absences to be excused.

When a student is absent one or two days they should return to school and turn in assignments on the day they are due. It is the absent student’s responsibility to check for assignments online, make them up and turn them in. To receive credit, the student must properly document the absence, and turn in the work on time and complete. Unlawful absences or incomplete work will result in a grade of zero for the gradebook.
When a student is absent three or more days consecutively, it is the responsibility of the parent / guardian to set and attend a meeting with the student’s guidance counselor in order to create a schedule and guide for makeup work. If the parent / guardian fails to attend a meeting with guidance related to properly documenting the absence and submitting schoolwork the absences will be recorded as unlawful. Unlawful absences or incomplete work will result in a grade of zero for the gradebook.

Truancy

In the Commonwealth of Pennsylvania, a child is considered truant having three (3) or more school days of unexcused absence during the current school year. A child is considered habitually truant once he or she accumulates six (6) unexcused absences during the course of the school year.

To address excessive absences, Franklin Towne Charter High School has adopted the following absentee policy:

1. Parents / legal guardians will receive notification upon the student’s third (3rd) unlawful absence of the school year. This notice will include a description of the outcomes that will follow if the child becomes habitually truant in the future.
2. A parent / legal guardian will be required to meet with a designated school official for any student who accumulates six (6) unlawful absences, and / or eight (8) total absences any time during the school year. The FTCHS attendance committee will meet related to the individual circumstances of a student and absenteeism. The committee will create an improvement plan based on the student’s reason for accumulating absences; identify issues existing during the school day or in the student’s home life, address reasons for not attending school based on academic, behavioral, emotional, and social challenges.
3. The FTCHS attendance committee will implement an individual attendance improvement plan for each student. Once the plan is implemented the attendance clerk will create benchmarks / goals to track bi-weekly.
4. The FTCHS Attendance Committee will meet related to students with excessive absences, the team will develop an action plan for the purpose of focusing on students academically, obstacles to attendance, family issues, appropriate agencies for necessary services, and legal consequences if the child does not attend school each and every day.
5. Any student that is absent for five (5) consecutive days must have a parent / guardian set an appointment with a designated school official to provide medical documentation, receive class work during the absences, and create a plan for the student to be reinstated when returning to school. The student will be given 48 school hours to complete the missed work. If the student does not present medical documentation the student will not be issued credit for the missed work. At any time, the student is still expected to make up any work that is missed.
6. Upon return to school the parents must provide medical documentation and sign a release of information. This document will allow the attendance committee to communicate with the doctor and best provide services to the individual student.
7. Any student that is absent for ten (10) consecutive days will be dropped from roll. Parents will then be required to enroll that student in another school.

College Visits

Juniors and seniors wishing to visit a college may do so as an excused absence up to 3 times per year. Proof of their visit must be obtained from the college and submitted to Franklin Towne. Any college visit beyond a student’s 3-day allotment, or that requires multiple days at one college due to travel concerns, requires approval by Franklin Towne administration.

Early Dismissal Policy

Our goal at Franklin Towne Charter High School is for every student to attend every day so that a student’s time on task will meet the required number of hours for credit. We request that all medical appointments be scheduled outside of school hours, but under emergency circumstances, students will be accommodated. Refer to the Code of Conduct for the school’s policy regarding excessive early dismissals from school.

The procedures for procuring an early dismissal are:

1. Student is to bring to the front office a note signed by the parent/guardian. The note is to have a phone number where the parent can be reached for verification.
2. In order for the early dismissed to be excused, medical documentation must be turned in to the front desk the following morning justifying the early dismissal.
3. If a student is leaving school early as designated by the nurse, the early dismissal will be excused.
4. No student, regardless of age, may sign him/her-self out of the building. Any student leaving for an early dismissal must be picked up by a parent or guardian. Any student caught missing any class without a valid excuse could be issued a Saturday Suspension.
5. Students who leave early for any reason are not permitted to participate in any after school activity without prior approval from administration. This includes trips, dances, proms and athletics.
6. Students who have accumulated more than 5 unexcused early dismissals should refer to the code of conduct.

Students are prohibited from leaving school grounds without parental supervision. When an emergency makes it necessary for a child to leave before dismissal, the student’s parent or guardian is required to pick up the student and must provide photo
identification each time. If a parent or guardian cannot pick up the student, the adult picking up the student must be listed on the emergency card and must provide identification.

**Homebound Instruction**
Students that will be out of school for an extended period of time due to a medical condition may benefit from homebound instruction. In order to qualify for homebound instruction, parent/guardian must contact school to set up an appointment with an administrator and provide a release of medical records. This document will allow the attendance committee to communicate with the doctor and best provide services to the individual student. A letter from a physician requesting homebound services, the reason for the request, and the projected duration/end date MUST be presented at the meeting. All requests are subject to review by a physician appointed by Franklin Towne Charter High School prior to services beginning.

**Lateness to School**
Students who arrive to school at 8:05 am or after will be marked late. Students that are not in their seat for their first class prior to the time the bell rings at 8:10 am will receive a detention from their teacher. All students not in the building prior to 8:05 am are subject to be searched upon arrival. Refer to the Code of Conduct for the school’s policy regarding excessive lateness to school. If a student arrives late because of an appointment (doctor or court appearance) they must bring in adequate documentation to the front office in order for the lateness to be excused. Any student who is not present for the 1st and/or 2nd block, must receive administrative approval before participating in any after school activity including, but limited to, trips, dances, proms and athletic sporting practices / competitions / events.

**Pre-Approved Trips / Vacations**
Families wishing to travel during the school year where students will miss school days must submit a request form for approval located on the of the travel dates. The Dean of Students must receive the request at least (2) two weeks in advance of any planned absence/trip. To submit a request form, the parent/guardian should select the Towne Parents icon at the top of https://hs.franklintowne.org/, then the Attendance icon on the left-hand navigation bar. You will be given a submenu from which to choose Pre-approved Absence Request that you can submit electronically. Parents will be informed, when the dates are approved or the reason(s) for the request being denied. If it is determined that one sibling is ineligible for approval for a planned absence, the school will deny the request for all enrolled students of that family. This includes families with children both Franklin Towne Charter High School and Franklin Towne Charter Elementary School.

There will be no trip absences approved during standardized testing, Keystone examinations, quarterly examinations, or final examinations. There will be no trip absences approved during the first two weeks of school or last two weeks of school. There will be no trip absences approved for any students who are considered habitually truant. There will be no trip absences approved for more than five (5) class days. Planned absences that shorten the school year by coinciding with either the beginning or the end of the school year, Thanksgiving or winter and spring breaks are not permitted. Upon approval, the school will notify a student’s teachers of the request. It is the responsibility of the student to obtain and complete work from their teachers.

**Homelessness**
In accordance with federal and state guidelines under the McKinney/Vento Act, Franklin Towne Charter Schools are committed to removing barriers to education that face students experiencing homelessness.

- Do the members of your household lack a permanent address?

   Complaints of bullying or cyber-bullying will be investigated promptly, and corrective action will be taken when a complaint is verified. Neither reprisals nor retaliation will occur as a result of the submission of a complaint.
   FTCHS will inform students annually that bullying or cyber-bullying will not be tolerated.

2. **Definition**
   Bullying is defined as “intentional electronic, written, verbal, or physical act or series of acts directed at another student or students. The act is severe, persistent or pervasive and has the effect of substantially interfering with a student’s education, creating a threatening environment, or substantially disrupting the orderly operation of school.” Cyber-bullying includes, but is not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another student, teacher or employee of FTCHS by sending or posting inappropriate or derogatory email messages, instant messages, text messages, digital pictures or images, or Web site postings including blogs, “Facebook”, “Twitter”, “Instagram”, “Snap chat”, “Tumblr” and “YouTube”. These posts must be obviously directed at a student, teacher, or employee of FTCHS from an obvious connection to a FTCHS student during the school day. All forms of cyber-bullying are unacceptable, to the extent that such actions are disruptive of the educational process at FTCHS, and offenders will be the subject of appropriate discipline.
   The terms “bullying” and “cyber-bullying” will not be interpreted to infringe upon a student’s right to engage in legally protected speech or conduct.

3. **Action**
   The bullying policy will be posted in each classroom and will be reviewed with all students at least once per school year.
   If a report of bullying or harassment is made but cannot be confirmed, there will be a conference with all students involved and verbal warnings issued where appropriate. At this time, all students involved will be asked if they would like to speak to their counselor and their families will be called.
   If a report is confirmed, the student(s) found to be harassing or bullying will receive up to a three (3) day suspension and will be referred to a bullying program to be facilitated by a staff member.
   If the same student is reported after being referred to the program and the report is confirmed, they may be referred for expulsion.
   A student could also be suspended for up to 3 days and referred to a bullying program if they are reported on three occasions, even if the reports cannot be verified.

**Bullying Intervention/Prevention Program**

Franklin Towne Charter High School (FTCHS) is committed to making the school a safe and caring environment for all students, faculty, and staff. Members of the school community will treat each other with respect and refuse to tolerate bullying of any kind. The Board of the School recognizes the negative impact that bullying has on student health, welfare, and safety and on the learning environment at school. Bullying is prohibited on all school property, at school-sanctioned activities or events, when students are being transported in vehicles dispatched by the school, and off school property when such conduct has a nexus to the school or any school curricular or noncurricular activity or event. "Bullying" will be defined as written or verbal expression, physical or electronic act, or gesture, or a pattern thereof, that is intended to coerce, intimidate, or cause any physical, mental or emotional harm to any student, staff or faculty member.

Bullying is prohibited against any student and will not be tolerated; this may include but not be limited to behavior that is directed toward a student based on academic performance or against whom federal and state laws prohibit discrimination. All administrators, teachers, staff, and students share the responsibility to ensure that bullying does not occur at school, on school property, at school-sanctioned activities or events. This also includes transportation of students, staff or faculty in any vehicle dispatched by the school, off school property when such conduct has a connection to school curricular or non-curricular activity or event.

1. All students who believe they have been victims of bullying in any such circumstance shall immediately report to an administrator or teacher at the school.
2. All students who witness student bullying in any such circumstance shall immediately report to an administrator or teacher at the school.
3. All administrators and teachers who have bullying incidents reported to them, shall promptly forward the report(s) to the Dean of Students.

4. All administrators, teachers and staff who witness student bullying in any such circumstance shall immediately take appropriate action to stop the bullying and shall promptly report the bullying to the Dean of Students.

5. The Dean of Students takes the information given, and conducts a full investigation individually interviewing all witnesses, relevant parties, viewing social media sites if applicable, etc.

6. Based on the information obtained in the investigation, the Dean of Students determines if the event in question is an example of bullying, harassment, or conflict between students. If the event is an example of bullying, the student(s) will be referred to our bullying prevention program. If the event is an example of conflict, the student(s) will be referred to our conflict resolution program.

CELL PHONES AND OTHER ELECTRONIC DEVICES

FTCHS understands that cell phones / wearable electronic Wi-Fi enabled devices are an important part of a person’s everyday life. However, cell phones / wearable electronic Wi-Fi enabled devices are not permitted in an FTCHS classroom because they serve as an educational distraction and can promote cheating. If a parent needs to contact a child during the instructional day, please call the front desk and we will get a message to your child. If your child has a need to contact a parent, a FTCHS telephone located at the front desk is available for use during lunches and at the end of the school day. We encourage students to take cell phones, as a safety precaution, on class trips. However, once students return to school their cell phones must immediately be placed back into their lockers until the end of the school day.

If a student is found to be in possession of a cell phone / wearable electronic Wi-Fi enabled devices during the school day, the following will result:

- **First Offense:** Student will receive detention, cell phones / wearable electronic Wi-Fi enabled devices will be confiscated and released only to parent/guardian, and student will lose all student privileges until notified by a school administrator. Upon return of the phone, the parent/guardian must sign a waiver stating that they acknowledge their rights upon a second cell phone violation.

- **Second Offense:** student will be referred for expulsion.

**Parents, since this type of offense carries a very heavy penalty, we are asking for your help to encourage your children to have their cell phones / wearable electronic Wi-Fi enabled devices turned off and in their lockers at all times during the school day. Thank you for your support.**

Franklin Towne Charter High School will permit students to bring cell phones and other electronic devices to school **PROVIDED THE FOLLOWING GUIDELINES ARE FOLLOWED:**

- Students must keep all cell phones / wearable electronic Wi-Fi enabled devices in their lockers, turned off, from 7:50 am until they are dismissed from school.

- Students are not permitted to use cell phones / wearable electronic Wi-Fi enabled devices, including text-messaging, at their lockers in between classes, failure to adhere to this policy may result in any penalty up to one day of In School Suspension.

- Detention, in-school suspension, and after-school tutoring are all considered classroom activities. Therefore, cell phones / wearable electronic Wi-Fi enabled devices must always remain in their lockers during these activities.

- At no time is a student permitted to have any electronic device in their possession during school day hours unless the device has been issued by the school. If a student cannot make it to their locker upon arriving to school, they must relinquish their cell phones / wearable electronic Wi-Fi enabled devices to a staff member to hold until the end of the day. If a student is dismissed early for any reason, they are still not permitted to be in possession of a cell phone / wearable electronic Wi-Fi enabled device unless they are in the front lobby of the school.

- FTCHS is not responsible for lost or stolen property that a student voluntarily brings to school including cell phones / wearable electronic Wi-Fi enabled devices.

- All headphones must be removed and placed in book-bags upon entering the building. All headphones must be stored in locker during the school day and must not be worn until student has exited building.

- Students are not permitted to bring e-book readers such as Kindles, Nooks, iPads, etc to school.

- Students are not permitted to bring cameras to school.

Franklin Towne Charter High School reserves the right to use hand-held and stationary metal detectors for use during student searches. If either of these instruments determine that a student is in possession of a detectable item (including cell phones / wearable electronic wifi enabled devices), the student will be subject to a more extensive search by a same-sex school employee to the extent necessary to identify and secure the detected item. If an item of contraband is found during the search and the student does not relinquish the detected item, he/or she may be referred for expulsion.
CHROMEBOOK USE IN SCHOOL

Instructional Property and Acceptable Use Policy

FTCHS provides a computer for each student to access tools needed to engage in online education. This includes the FTCHS internet-based educational portal, online libraries, curriculum, and other educational tools and materials. Upon enrollment, students are provided with a FTCHS Chromebook. The cost of the Chromebook is to be paid by the parent / guardian, billed each year of 9th, 10th, and 11th grade enrollment through three payments of $50. The parent / guardian is required to pay $20 for insurance that will cover the cost of any damage to the Chromebook and allow for replacement. Once the payment of $150 is made in full the student owns the Chromebook.

FTCHS requires students to attend school each day with their Chromebook fully charged and in the student’s possession for the entire school day. Refer to the Code of Conduct for the school’s policy regarding unprepared for class if the Chromebook is not properly charged and accessible for the student during the school day. FTCHS requires students to have in their possession headphones with a cord for use during the school day. These may be purchased in the school store and used for academics during instructional time.

FTCHS will provide ongoing technology support as needed to students who are using school equipment. The IT (Information Technology) department operates a school Help Desk with a convenient online ticketing system. The Help Desk can also be accessed by calling 215-289-5000 extension.

FTCHS computers are preloaded with the software and settings needed for coursework. The IT Department "manages" all student computers. This management includes setting permissions on the computer, sending updates via the Internet, and installing programs. Students do not have permission to install additional software.

The FTCHS IT Department does not support home Internet networks, including wireless connections. This is because home Internet service and related equipment is provided by a service provider that is not FTCHS. The service provider is responsible for supporting families with the Internet service and related equipment (e.g. routers, switches, access points and extenders). Also, any intervention by FTCHS on a home Internet service and hardware may violate the terms of service for the home Internet service and related equipment.

FTCHS reserves the right to request the return of computer equipment in the event of damage, improper use, or the withdrawal of a student from FTCHS. Improper use may include installation of unapproved software, accessing unapproved sites, or any use counter to the FTCHS educational program and safeguarding of students.

Lost, Stolen, or Damaged Instructional Property

FTCHS will repair and/or address any hardware or software issues that arise in the normal educational use of its computer equipment. FTCHS will facilitate the return, repair and replacement of non-working equipment. In such instances, it is the responsibility of the parent/guardian to provide backup technology or access to computer equipment for students to continue school work without interruption. This would include, but not limited to: an additional personal computer or laptop in the home; visiting a public library; or relying on another member of the family or a family friend to use their device until the student’s computer equipment has been returned.

If hardware or software issues, damage or loss of computer equipment or instructional materials are the result of improper, unacceptable, negligent or non-educational related activity, the parent/guardian is responsible for the cost of replacement and/or repair. For this reason, we recommend that families maintain homeowners or other insurance.

Equipment and Materials Return Procedure

All packaging included with FTCHS technology equipment and instructional materials must be retained by the student, as the packaging is needed for returns of any kind.

At the end of the school year or on the date of withdrawal from FTCHS, students/families are required to return all textbooks, Chromebooks and any other materials issued to the student. A list of requested materials and specific instructions of how to complete the return will be made available online. Families will be billed for damaged and/or missing items.
Withdrawing students must return the school computer, and other hardware accessories to the school in the original packaging with all accompanying documentation and accessories.

**Internet Safety**

FTCHS equipment includes content filters to help safeguard students. Students and families are expressly prohibited from accessing materials available through the Internet that are inappropriate, illegal, defamatory, inaccurate, or offensive. While the school will take measures to make this access more difficult, the responsibility for enforcing standards of behavior on the Internet lies with the parent or legal guardian.

**Microsoft 365 for Education**

Microsoft 365 for Education is a core component of interactive online learning. Microsoft 365 for Education is a collection of free online applications, all of which flow together and integrate into the school environment. The Microsoft 365 for Education applications include:

- **Outlook** - a secure and safe email system that serves as the mail system for all students.
- **OneDrive** – a file storage and synchronization system that serves as the home to an office suite of productivity applications such as Docs, Spreadsheets, Slides, and Forms.
- Using these tools, students collaboratively create, edit and share files and websites for school related projects and to communicate with other students and teachers. These services are entirely online and available 24/7 from any Internet-connected computer. These tools are used to showcase class projects, build an electronic portfolio of school learning experiences, and work on group projects. For more information about FTCHS Microsoft 365 for Education please visit [https://hs.franklintowne.org/](https://hs.franklintowne.org/)

**Technology Use**

Technology use at FTCHS is governed by federal laws including:

1. **Children's Online Privacy Protection Act (COPPA)** - COPPA applies to commercial companies and limits their ability to collect personal information from children under 13. By default, advertising is disabled for FTCHS presence in. No personal student information is collected for commercial purposes. This permission form allows the school to act as an agent for parents in the collection of information within the school context. The school's use of student information is solely for education purposes.

2. **Child Internet Protection Act (CIPA)** - The district is required by CIPA to have technology measures and policies in place that protect students from harmful materials including those that are obscene and pornographic. This means that student mail containing harmful content from inappropriate sites will be blocked. CIPA: [http://fcc.gov/cgb/consumerfacts/cipa.html](http://fcc.gov/cgb/consumerfacts/cipa.html)

3. **Family Educational Rights and Privacy Act (FERPA)** - FERPA protects the privacy of student education records and gives parents the rights to review student records.

**CODE OF CONDUCT**

The primary purpose of Franklin Towne Charter High School is to educate our students in a safe and secure environment. Students who disrupt this atmosphere will face the consequences of their actions. To maintain the order necessary to run a school program, Franklin Towne Charter High School has established a detailed code of conduct and its consequences for all to understand and follow. These rules apply to all students during school hours, in any school sponsored program, on school grounds prior to the start of school and following dismissal from school, traveling to and from school (including riding the bus), school trips or functions or any event that might jeopardize the school’s ability to exercise its authority. The Code of Conduct may also be enforced outside of the above parameters if the administration feels the actions of FTCHS students will affect the normal operations of the school or the safety of other FTCHS students.

Consequences include demerits, detentions, and suspensions (in-school and out-of-school). In compliance with state school code, FTCHS implements the following suspension and expulsion procedures:

- The CEO, CAO or Dean of Students may give suspensions (exclusion from school for a period of one to ten consecutive days)
- No student will be suspended until the student has been informed of the reason(s) for the suspension. Prior notice of the intended suspension need not be given when it is clear that the health, safety or welfare of the school community is threatened
- The parent/guardian is to be notified immediately in writing when the student is suspended
- When the suspension exceeds three school days the student and parent shall be given the opportunity for an informal hearing
with school authorities

- Students shall have the responsibility to make up exams and work missed while being disciplined by suspension and shall be permitted to complete these assignments
- Students are not permitted on school property or to participate in any school activity at any time during the duration of a suspension
- Expulsion is exclusion from school by the Board of Directors for a period exceeding ten school days and may be permanent expulsion from the school’s roll. All expulsions require a prior formal hearing

Offenses and Corrective Actions

A “Reinstatement” requires a parent to meet with the CAO or Dean of Students or other school official to determine whether a student will be reinstated after a suspension or referred for additional action such as expulsion. Students who were suspended may not attend classes until the completion of the Parent Conference or Reinstatement. The student’s cumulative disciplinary record will be taken into consideration when deciding the appropriate consequence.

Additionally, our Code of Conduct outlines demerits (i.e. “Discipline Points”) for certain actions. Accumulation of discipline points
can result in “Saturday Suspension,” which runs from 7:45 a.m. to 11:00 a.m. Used as an alternative to out-of-school suspension, students must report to FTCHS and complete schoolwork while at Saturday Suspension. Description of the Due Process Hearing

At the beginning of the hearing, a duly authorized committee of the Board, or a duly qualified hearing examiner, who need not be a member of the Board, but whose adjudication must be approved by the Board (herein called Hearing Officer) shall inform the student and the student’s representative(s) that:

- The School’s and the student’s representatives shall have the right to examine and cross-examine witnesses; the student has the privilege against self-incrimination, but that if the student does testify, they shall be subject to cross examination; the charter school has the burden of proving the charges by a preponderance of credible evidence; a transcript of the proceedings shall be maintained and made available to the student’s representative upon request; and the hearing shall be private or open to the public, as determined by the student’s representative.
- The person conducting the hearing shall not have intimate knowledge of the details of the charges to assure an impartial, unbiased hearing of the case.

The Hearing Officer shall inform the parties that:

- The case will proceed by having the school present its evidence through witnesses and other evidence first;  
- The school’s witnesses shall be subject to cross-examination by the student’s representative; and  
- The student will then have the opportunity to present witnesses on his/her behalf, subject to cross-examination by the school’s representative.

Following the conclusion of the testimony and the introduction of other evidence matters, the parties shall be afforded the opportunity to present oral arguments to the Hearing Officer indicating the reasons why the charges should be sustained or dismissed. The Hearing Officer shall then reach findings of fact upon the charges.

In the event that one or more of the charges is sustained, the Hearing Officer shall then entertain statements from the parties regarding the appropriate penalty outcome. In the event that the parent and/or the student, in an appropriate case, have been served with a copy of the student’s past disciplinary anecdotal record in a timely fashion, for consideration at the hearing, such record may be considered by the Hearing Officer in determining an appropriate penalty. The incidents contained within the past anecdotal record shall be subject to proof to the extent that they are denied by the student, as expressed by the student’s representative.

The Hearing Officer, upon the conclusion of the portion of the proceeding dealing with penalty determinations, shall make findings of fact and penalty recommendations, if any, to the person or body which designated him/her immediately upon the conclusion of the long-term suspension hearing.

The Board shall make its own findings of fact and penalty decision, by adopting those of the designated Hearing Officer, where applicable, in whole or in part, or by reaching independent findings of fact and penalty determinations. This process shall be
concluded at an open public board meeting, reasonable notice of which shall be provided to the parent prior to the meeting.

The Board’s decision (adjudication) will be communicated to the parent within five days of the Board meeting.

**Manifestation Determination Evaluation**

If a student with an Individualized Education Plan (IEP) faces a suspension or exclusionary offense, qualified members of the FTCHS will conduct a Manifestation Determination Evaluation (MDE). If an action is contemplated regarding behavior or involving a removal that constitutes a change of placement for a child with a disability who has engaged in other behavior that violated any rule or code of conduct of Franklin Towne Charter High School that applies to all children, not later than the date on which the decision to take that action is made, the parents are notified of that decision and provided the procedural safeguards notice, and immediately, if possible, but in no case later than 10 school days after the date on which the decision to take that action is made, a review is conducted of the relationship between the child's disability and the behavior subject to the disciplinary action.

Individuals to carry out review: A manifestation determination review is conducted by the IEP team and other qualified personnel in a meeting.

Conduct of review: In carrying out a manifestation determination review, the IEP team and other qualified personnel may determine that the behavior of the child was not a manifestation of the child's disability only if the IEP team and other qualified personnel:

1. First, consider in terms of the behavior subject to disciplinary action, all relevant information, including evaluation and diagnostic results, including the results or other relevant information supplied by the parents of the child, observations of the child, and the child's IEP and placement; and
2. Then determine that in relationship to the behavior subject to disciplinary action:
   a. The child's IEP and placement were appropriate and the special education services, supplementary aids and services, and behavior intervention strategies were provided consistent with the child's IEP and placement;
   b. The child's disability did not impair the ability of the child to understand the impact and consequences of the behavior subject to disciplinary action; and
   c. The child's disability did not impair the ability of the child to control the behavior subject to disciplinary action.

Decision: If the IEP team and other qualified personnel determine that any of the standards above were not met, the behavior must be considered a manifestation of the child's disability.

Meeting: The manifestation review determination may be conducted at the same IEP meeting that is convened to consider the need for a functional behavioral assessment/review or development of a behavior plan.

1. Students will not plagiarize works that you find on the Internet. Plagiarism is taking the ideas or writing of others and presenting them as if they were one’s own.

2. Students will respect the rights of copyright owners. Copyright infringement occurs when one inappropriately reproduces a work that is protected by a copyright. If a work contains language that specifies appropriate use of that work, students should follow the expressed requirements. If a student is unsure whether or not he or she can use a work, he or she should request permission from the copyright owner. Copyright law can be very confusing. If a student has questions, they should ask a teacher.

3. Franklin Towne Charter High School abides by the following statement on software and intellectual rights distributed by EDUCOM, a non-profit consortium of colleges and universities committed to the use and management of information technology in higher education:

4. “Respect for intellectual labor and creativity is vital to academic discourse and enterprise. This principle applies to works of all authors and publishers in all media. It encompasses respect for the right to acknowledgement, right to privacy and right to determine the form, manner, and terms of publications and distribution.

5. Because electronic information is volatile and easily reproduced, respect for the work and personal expression or others is especially critical in computer environments. Violations of authorial integrity, including plagiarism, invasion of privacy, unauthorized access, and trade secret and copyright violations, may be grounds for sanctions against members of the academic community.”

J. Inappropriate Access to Material

1. Students will not use Franklin Towne Charter High School Net to access material that is profane or obscene (pornography), that advocates illegal acts, or that advocates violence or discrimination towards other people (hate literature). A special exception may be made, if the purpose of a student’s access is to conduct research and both a teacher and a parent have approved.

2. If a student mistakenly access inappropriate information, he or she should immediately tell his or her teacher. This will protect a student against a claim that he or she has intentionally violated this policy.

3. Parents should inform students if there is additional material that they think would be inappropriate for their child to access. Franklin Towne Charter High School expects that students will follow their parent’s instructions in this matter.

K. Limitation of Liability

1. Franklin Towne Charter High School makes no guarantee that the functions or the services provided by or through Franklin Towne Charter High School Net will be error-free or without defect. The School will not be responsible for any damage a student may suffer, including but not limited to, loss of data or interruptions of service. The School is not responsible for the accuracy or quality of the information obtained through or stored on the system. The school will not be responsible for financial obligations arising through the unauthorized use of the system.

VIOLATION OF ANY OF THE ABOVE POLICIES WILL RESULT IMMEDIATE DISCIPLINARY ACTION.

Students may have their privileges revoked at the discretion of the administration. The FTCHS Administration reserves the right to place an FTCHS student on Loss of Privileges list for behavioral reasons. Privileges can include participation in dances, extracurricular activities, school trips, and dress-down events.

1. A student will lose their privileges for reasons including but not limited to the following: (These numbers do not reset at any time during the year)

2. When a student loses their privileges, they will be placed on a list that is available to all staff members who monitor student activities. Students on this list may not participate in ANY FTCHS sponsored activity or event regardless of when they are placed on the loss of privileges list. No refunds will be issued for any ticket once the catering bill has been paid even if you are placed on the loss of privileges list after buying a ticket.

3. Students will remain on that list UNTIL NOTIFIED OTHERWISE. Serving a Saturday Suspension, suspension, detention, alone does not restore student privileges. The status of all students will be reviewed on a weekly basis.

4. During the review, any student on the list that has had their privileges revoked, who has not earned more than 2 detentions, has not been late to school more than 2 times, and has not been suspended during the review period will receive a letter in advisory and have their privileges restored. If they do not receive this notice, their privileges are still revoked.

5. A first cell phone violation will automatically place a student on the loss of privileges list immediately upon the violation. Once a student is on the list, they may not attend any FTCHS sponsored event, regardless of when the event is and if a ticket has already been paid for.

6. Any senior who is placed on Loss of Privileges will also lose all senior privileges for the duration of their stay on Loss of Privileges.

Students are permitted to keep Asthma inhalers and Epi-pens with them at all times due to the need for its immediate use. The prescribing physician or parent is responsible for instructing the student on how to administer the medication after which the student must be able to demonstrate to the nurse that they know when and how to properly self administer the medication. If this policy is abused or ignored by the student, their medication will be confiscated with a loss of privilege to carry it and will face disciplinary action. If an Epi-pen is used, 911 will be called upon notification of its use.

**STUDENT-BASED DRUG AND ALCOHOL SCREENING**

In our school’s best effort to support and protect our students, FTCHS has developed a comprehensive random drug/alcohol testing program. Upon enrollment into Franklin Towne ALL students are placed into this program. At any time a parent/guardian can remove their child/ren from this program by obtaining and filling out an opt-out form that is distributed to each new FTC student and can be obtained from the front desk.

We currently use a 10-panel drug screen that tests for evidence of:

- Amphetamines (meth, speed)
- Cocaine
- Opiates (morphine, heroin, Vicodin)
- PCP or Benzodiazepines (sleeping pills, downers)
- THC (pot)
- Methadone
- Propoxyphene (common pain killers)
• Alcohol
• Barbiturates (sleeping pills, antidepressants)

This program is designed to be a supportive aide to our students, in our sincerest hopes to give students the chance to say “no” when faced with the pressures of drug and alcohol use. We have partnered with representatives of the Horsham Clinic that will assist with oversight, technical assistances, and parent communication.

IX. TITLE I

FTCHS receives federal funding through Title I, Part A – Improving Basic Programs. This federal program provides financial assistance to schools with high percentages of economically disadvantaged students to ensure that children meet challenging state academic standards.

Since more than 40 percent of the FTCHS student body are classified as economically disadvantaged (as determined by participation in the National School Lunch Program), FTCHS uses Title I funding to operate a school wide program to upgrade the instructional program for the whole school. Our school wide Title I program is based on effective means of improving student achievement and includes strategies to support parental involvement.

More than 50,000 public schools across the country use Title I funds to provide additional academic support and learning opportunities to help low-achieving children master challenging curricula and meet state standards in core academic subjects. For example, funds support extra instruction in reading and mathematics, as well as special preschool, after-school, and summer programs to extend and reinforce the regular school curriculum.

In 2021-2022, FTCHS will use our Title I funds to:

• Provide high-quality professional development and training to our teachers to ensure that our staff members have the skills necessary to raise student achievement and implement our curriculum.
• Support the salaries and benefits of Highly Qualified Teachers teaching in FTCHS’ school wide project.
• Retain the positions that have allowed us to reduce class sizes and provide more course offerings in math, English, and science.
• Provide opportunities for increased parent involvement, including providing electronic access to student grades, attendance, homework, etc. through programs such as PowerSchool.
• Coordinate the strategic integration of technology into all aspects of the school program.
• Hire/retain specialized staff to reduce student behavioral and social barriers to learning (i.e. Dean of Students and School Psychologist), coordinate student access to technology (i.e. Technology Coordinator), and conduct curriculum development activities and staff development (i.e. Assistant Principal).
• Continue implementation of Tenex, our integrated school management software system.
• Offset the costs of independent audit, specifically with regard to federal programs and the expenses associated with managing our federal programs.

Annual Title I Meeting:
FTCHS invites parents to attend our annual Title I information meeting, which is held twice a year at our Back to School Nights. At these meetings we will describe our participation in Title I, Part A programs, explain the requirement of Title I, and explain parents’ right to be involved (including developing our Title I Parent Involvement Policy and Parent Compact).

Parent Rights Under Title I:
Under Title I, Part A, FTCHS parents have the right to:
• **Be involved in our Title I, Part A programs** – FTCHS, with the help of its parents, will develop and implement a Title I Parent Involvement Policy and a School-Parent Compact.

• **Request regular meetings** – Requests for meetings to discuss Title I programs should be put in writing and submitted to the Federal Programs Coordinator in the Main Office.

• **Know teacher and paraprofessional qualifications** – Parents may request, and FTCHS then will provide, certain information on the professional qualifications of the student’s classroom teachers and paraprofessionals providing services to their children. Requests should be put in writing and submitted to the Principal in the Main Office.

• **Know non-highly qualified teachers** – FTCHS will provide to each individual parent timely notice that the parent’s child has been assigned, or taught for 4 or more consecutive weeks by a teacher who is not highly qualified as defined by No Child Left Behind guidelines.

**Title I Parental Involvement Policy**

**PART I. GENERAL EXPECTATIONS**

Franklin Towne Charter High School agrees to implement the following statutory requirements:

• The school will put into operation programs, activities and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with section 1118 of the High and Secondary Education Act (ESEA). Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children.

• Consistent with section 1118, the school will ensure that these parental involvement policies meet the requirements of section 1118(b) of the ESEA, and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA.

• In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, the school will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format and, including alternative formats upon request, and, to the extent practicable, in a language parents understand.

• The school will involve the parents of children served in Title I, Part A in decisions about how the 1 percent of Title I, Part A funds reserved for parental involvement is spent.

• The school will be governed by the following statutory definition of parental involvement and will carry out programs, activities and procedures in accordance with this definition:

  Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

  (A) That parents play an integral role in assisting their child’s learning;

  (C) That parents are full partners in their child’s education and are included as appropriate, in decision-making and on advisory committees to assist in the education of their child;

  (D) The carrying out of other activities, such as those described in section 1118 of the ESEA.

**PART II. DESCRIPTION OF HOW SCHOOL WILL IMPLEMENT REQUIRED PARENTAL INVOLVEMENT POLICY COMPONENTS**

   • Solicit feedback from parents during meeting of the Home and School Association and/or via an email to Parent Association members.

   • Post draft of policy (including revisions from parent meetings) in the Main Office with procedures for submitting feedback and/or revisions. Draft policy will be posted for at least one week before it is brought in front of the Board of Trustees for approval.

   • Provide parents with the contact number for the school’s Federal Programs Coordinator via a posting in the Student-Parent Handbook and/or website.

3. Franklin Towne Charter High School will coordinate and integrate parental involvement strategies in Part A with parental involvement strategies under the following other programs: [Head Start, PreK Counts, Safe and Drug Free Schools, IDEA, etc.],...
4. The CEO will conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the quality of its Title I, Part 3 A schools. The evaluation will include identifying barriers to greater participation by parents in parental involvement activities (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background). The school will use the findings of the evaluation about its parental involvement policy and activities to design strategies for more effective parental involvement, and to revise, if necessary (and with the involvement of parents) its parental involvement policies. The evaluation will likely include an annual survey and/or roundtable discussion (i.e. focus group) to be held at a meeting of the Home and School Association.

5. Franklin Towne Charter High School will build the schools’ and parent’s capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, through the following activities specifically described below:
   A. The school will provide assistance to parents of children served by the school, as appropriate, in understanding topics such as the following, by undertaking the actions described in this paragraph:

Examples of materials to be provided also include test preparation activities, summer enrichment activities, homework help, etc.

   C. The school, with the assistance of its parents, will educate its teachers, pupil services personnel, principals and other staff, in how to reach out to, communicate with, and work with parents as equal partners, in the value and utility of contributions of parents, and in how to implement and coordinate parent programs and build ties between parents and schools, by providing ongoing professional development.

The annual home language survey will help to facilitate this.

PART III. DISCRETIONARY PARENTAL INVOLVEMENT POLICY COMPONENTS

In addition to the parent involvement activities listed above, Franklin Towne Charter High School will promote parent involvement by:
   • Paying reasonable and necessary expenses associated with parental involvement activities, including transportation and childcare costs, to enable parents to participate in school-related meetings and training sessions
   • Training parents to enhance the involvement of other parents

As a Title I school, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about your child’s teachers’ training and credentials. We are happy to provide this information to you. At any time, you may ask:
• Whether the teacher met state qualifications and certification requirements for the grade level an subject he/she is teaching,
• Whether the teacher received an emergency or conditional certificate though which state qualifications were waived, and
• What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child received help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional’s qualification(s).

The Every Students Succeeds Act (ESEA) which was signed into law in December 2015 and reauthorizes the Elementary and Secondary Education Act of 1956 (ESEA) includes additionally right to know requests. At any time, parents and family members can request:
• Information on policies regarding student participation in assessments and procedures for opting out, and
• Information on required assessments that include:
  • Subject matter tested,
  • Purpose of the test,
  • Sources of the requirement (if applicable),
  • Amount of time it takes students to complete the test, and
  • Time and format for disseminating results.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals meet applicable Pennsylvania state requirements

If you have any questions about your child’s assignment to a teacher or paraprofessional, please contact Patrick Field at 215-289-5000.

Title I Complaint Procedures
A parent who feels that the school is not meeting its Title I or other responsibilities as outlined in this policy, should first discuss the problem with the school CEO, Principal, or Federal Programs Coordinator. Examples of violations would be such things as:
• An annual meeting was not convened by the principal to explain Title I offerings to parents.
• Parents were refused information on the professional qualifications of their child’s classroom teacher.

If the concern was not resolved at the school level, a parent should begin a formal Pennsylvania Department of Education (PDE) complaint procedure as outlined below. A complaint is defined by the FTCHS as a written, signed statement. It must include the following:

a. A statement that PDE or FTCHS has violated a requirement of federal statute or regulations which apply to programs under the No Child Left Behind Act.
b. The facts on which the statement is based.
c. Information on any discussions, meetings or correspondence with PDE or FTCHS regarding the complaint.
