

## Remote Learning Expectations

#granvillecsd

- Students will follow an established instructional day schedule.
- Students will use school-issued Chromebook to access online work.
- Students will turn on the camera during instructional periods.
- Students will attend for the full period; as attendance will be taken.
- Students are to attend all assigned class periods.
- Traditional grading practices will apply.
- Classroom rules and showing positive digital citizenship still applies.
- Video conferencing is a privilege. If it is not used responsibly, access to school managed tools may be disabled.

*For Families that Self-Select Remote Learning, the following conditions also apply:*

Parents who elect to have their child(ren) connect fully remotely and not attend classes on campus, will be allowed to do so if NYSED regulations require that the option be provided. **Parents will need to sign and complete a district provided request form no later than August 1, 2021.** The following requirements will need to be acknowledged.

- Parents must acknowledge that the learner has stable, daily internet access.
- Parents must acknowledge that the learner is expected to attend classes daily, following their assigned schedule.
- Parents must acknowledge that the learner will not be able to return to in-person class until the second semester or until the district ends virtual instruction.
- **At the secondary level, choosing all remote learning for a student will mean a reduction in the availability of certain classes, enrollment in a regional online high school through WSWHE BOCES, enrolling in distance learning courses or completing online coursework through a third party provider under contract with the district.**

**Should NYSED not require an all remote option for students, the Granville CSD will require all students to attend in person and all requests for all remote learning will be canceled.**

Name of Student requesting all remote option: \_\_\_\_\_ Date: \_\_\_\_\_

Grade: \_\_\_\_\_ Parent Signature: \_\_\_\_\_

**Return this form to your child's building PRINCIPAL by August 1, 2021.**
