EACH CHILD IS AN INDIVIDUAL OF GREAT WORTH

July 16, 2021

Greetings Heritage Community,

I hope you have enjoyed a relaxing and safe summer with your families. On behalf of the staff at Heritage Elementary School, I am excited to welcome you to the 2021-2022 school year! Our first day of school is Wednesday, July 21st. We are committed to ensuring all students continue to grow academically, socially, and emotionally at Heritage. Careful and intentional planning will help us close academic gaps as we return to in-person instruction. With your partnership, I am confident that our students will reach academic achievement.

During this school year and more than ever, it will be extremely important that we establish a strong school and home connection. Our connection is critical to the success of our students. To keep you informed about student learning and school activities, we will send information via School Messenger and posted on our social media pages. Additionally, there will be other opportunities for us to connect through Leadership Coffee Chats, ELAC, PTO, and SSC meetings. Your participation, partnership, and voice are valuable to our Heritage Learning Community. To ensure that you are staying informed your contact information must be accurate in our student information system.

Heritage Elementary is the home of the Hawks! Our goals are for our school to be a place where all students will be models of good character, embrace creativity, be voracious learners, and be empowered to be confident and self-aware. We will promote a culture where all learners will be unified and encouraged to be creative, collaborative, innovative, embrace inclusion, and develop a deep desire to learn. We are excited for all of you to be contributing members of our school community. We strive to create a safe and welcoming learning environment where parents and staff work harmoniously to create rigorous and engaging learning opportunities for all children.
