

**Plainfield Public Library Presents**

# Getting Organized with Genealogist Beverly Yackel

**Saturday, May 4, 2019**

**10:30 am in room 2**

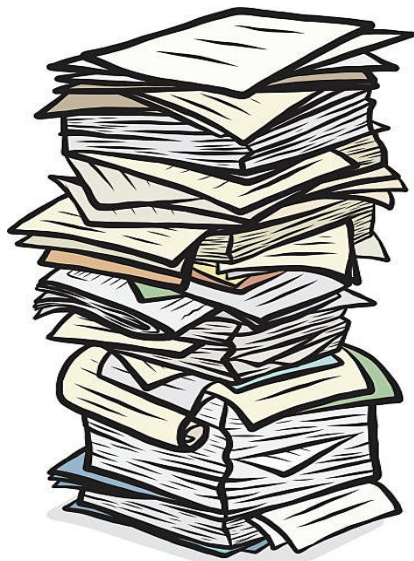

Keeping track of documents, notes, websites, photographs, and correspondence related to genealogy research can be daunting.

All of that information accumulates faster than we can manage to document it and to file it away in an organized manner. Developing a filing system is a must!

Beverly Yackel, past president of the Monmouth County Genealogy Society, will explain how to record and store vital information for your family history research.

***This program is free and open to the public.***

***Seating is Limited. Registration requested.***

Plainfield Public Library is located at  
800 Park Avenue in Plainfield, NJ.
