PLAINFIELD PUBLIC SCHOOLS IS CONDUCTING AN INFORMATION CAMPAIGN TO GET STUDENTS AND FAMILIES TO COMPLETE THEIR 2020 CENSUS

April 14, 2020 - Plainfield Public Schools is conducting a district-wide campaign for students and families to complete their 2020 Census forms. Messages are posted on the District's website social-media platforms. Global messages are also being sent to all the students, parents and staff.

According to the Census, schools depend on an accurate count of the population for the funding of services, facilities, books and more.

"It's important that all our students and their families are represented. We are encouraging our entire District to participate in the 2020 Census," said Dr. Diana Mitchell, Superintendent of Schools. "The counting of our population may be challenging during this time, but we are doing all we can to get the information to our students and families."

The District has also provided 2020 Census links to our teachers to share with students and families while we are virtually learning.
