

QUICK REFERENCE GUIDE

Why TechforEd (1:1)?

- 1:1 means individual students receive a district-owned device for their learning
- Prepares students to thrive in a connected, digital world in alignment with the Jeffco Generations strategic plan
- Creates an equitable and sustainable model for technology-enabled classrooms

Expectations:

- Come to class prepared to learn
- Take care of your device
- Do not share your login & password information
- Report issues with your device right away
- If you unenroll from Jeffco Public Schools, return the device to your school; if your school is closed, take it to the Ed Center (1829 Denver West Drive, #27, Golden, 80401).

Care Tips:

- Keep device in its protective cover
- Charge device fully each night on a hard surface
- Clean device screen with microfiber or antistatic cloth
- Protect device from extreme temperatures, food & drinks, small children & pets

Troubleshooting:

- Restart device
- Confirm device is connected to the Internet
- See website for additional troubleshooting tips
- Take device to your teacher or school library for repair
