Jeffco Parent/Guardian Virtual Workshop:
Managing moments when emotions and behaviors get big and feel out of control
Have you noticed that when your child’s stress levels rise, yours do, too? Or, when their behaviors escalate, yours escalate as well? Have you been caught in the trap of yelling, slamming doors, and hollering empty or extreme threats? This all makes sense. Brain science can help us understand these crazy dynamics we get stuck in with our children. Learn how to use this information to guide you through the toughest of moments. This session is for parents and caregivers of toddlers to teenagers. Jan. 25 6:00pm - 7:30pm OR Jan. 26 10:00am - 11:30am Registration Info Flyer

MAKE YOUR VOICE HEARD

Make Your Voice Heard (MYVH) is a student survey that Jeffco Public Schools administer to students. MYVH has been given to Jeffco students for over a decade. MYVH is administered every other year to all Jeffco Schools students, but is available for schools to administer every year. MYVH is a survey designed to promote engagement in school, improves the school learning environment, and combats problems such as bullying. Dakota Ridge High School will be giving students the survey in January-February 2022.

Content. MYVH gathers information on three key areas of engagement: social/emotional, behavioral, and cognitive. Engagement in school is critical to academic performance and interest in continued education.

Jeffco Public Schools is interested in discovering students’ opinions of the: nature and quality of teacher feedback, rigor of classes, level of comfort and belonging at school, quality of their relationships with other students and staff, family support for learning, technology, healthy eating, and student interest areas. MYVH has the same survey questions for all schools; schools do not add their own questions. You may review the survey items by visiting this link: www.jeffcopublicschools.org/community_portal/research_surveys.
