From the Principal

Dear Hutchinson Families,

Happy October! While the temperatures are still rather warm during the afternoon, the crisp, cool air in the mornings are definitely reminiscent of fall. If you have lived in Colorado for any length of time, you know the weather can change quickly. Please make sure your child comes prepared. Dressing in layers is always a good idea this time of year.

Did you know that we are a Healthy School? Being a Healthy School means that we support culture, policy, and environments that support healthy lifestyle choices, life skills, and attitudes, benefiting staff, students, and their families. How can you help? You can provide your student(s) a healthy snack to eat during the day. Snacks with a high sugar content can provide students with a “sugar rush” and then cause them to “crash” quickly. Healthy snacks that contain some protein provide students with sustained energy throughout the day which helps them learn. What is recommended? Click on this link for a list of healthy snack ideas: Classroom Healthy Food Suggestions. Thank you!

I wanted to also mention that we, as a staff, while we do our best and give our all every day, we are not perfect. If you have concerns, questions, or feedback, we need you to reach out and ask. If your concerns are with the classroom or your teacher, please contact your teacher to schedule a meeting. If you would like to schedule a meeting with me to address any concerns you may have or ask any questions, please call the office to schedule a time. We strive to be the best we can be, but if we don’t know what your concerns are, it’s very difficult for us to address them. Thank you!

Sincerely,
DeAnn Hoffman

OCT SEL NEWS

Social-Emotional Learning Newsletter by Julia Henrichs

GOALS

When students have a positive vision for what they are going to learn during the school year, it helps them “be the drivers” and take ownership over their learning. It also helps them develop a positive vision for the school year and what lies ahead. October conferences are a great way to discuss learning objectives for the year and set short-term and long-term goals.

ONE WORD

This month, students read the book One Word by Jon Gordon. Kids look inward and reflect on their needs as learners. Helping students narrow their goals and visions into One Word is one way to help make them stick so they can serve as a driving force for a successful year. Students share their word and encourage one another to live it out.

VISION BOARDS

As a family, creating family vision boards together is a fun way to connect, create a positive vision, and learn new things about one another, as well as how you can support each other toward individual and family goals. Helping your students create a positive vision of something they really want to do, and helping them believe that they can achieve it, is bound to produce positive results.
Monthly Teacher Appreciation Schedule

Hello Hutchinson Families!

The PTO would like to partner with you to help our teachers/staff feel appreciated on a monthly basis. Each month we will ask one grade level to contribute to the teacher appreciation fund. This fund is used to stock the lounge with special treats for our Hutchinson staff.

The contribution amount is a "give what you can" model and there is no pressure on families to participate. Donations can be sent in cash form or donated through the Zelle app, in which many banks participate. To donate via Zelle please send funds using the name: ‘Hutchinson PTO’ and email: Treasurer.Hutchinson.PTO@gmail.com.

If you have any questions please don't hesitate to reach out to our Teacher Appreciation Committee Coordinator: Sara Roth at mrssararo@gmail.com.

Be on the lookout for your chance to contribute from the schedule below! Thank you so much for helping us to make our teachers feel extra appreciated this year!!

Hello Hutchinson Students, Staff & Community,

Within Student Council there are four committees that collaborate to create activities for our whole school and community: **School Spirit**, **Energy Bus/School Climate**, **Staff Appreciation**, and **Community Service**. Please help support our efforts to make a difference in our school and community. Thank you!

**School Spirit**
We will have a Spirit Week October 25-29:
- Monday – Crazy Hair Day
- Tuesday – PJ’s
- Wednesday – 90’s
- Thursday – Stuffy (Must be well-behaved and small enough to fit on a desk while still leaving work space)
- Friday – Extra Recess

**School Climate**
We will be creating a Fall Tree in the hallway outside of the cafeteria. Classes will be provided with fall colored leaves to write kind words on.

**Staff Appreciation**
Staff members will receive a Bag of Teacher Treats.

**Community**
We are looking into Hutchinson becoming an on-going sponsor of Save the Turtles and Adopt a Street.

If you ever have any suggestions for school or community activities, please let us know.

Thank-you for your help and support!

HUSKY HUSTLE: Thank you to everyone for your amazing support during the Husky Hustle! A reminder that donations must be submitted by October 15 in order to count toward prizes.

STAFF APPRECIATION: PTO is requesting that one grade level contribute to the staff appreciation fund each month. During the month of October, we ask that Kindergarten families donate money to support our appreciation efforts. All donations go to stocking the staff lounge with goodies to show all those who make Hutch amazing feel appreciated. For information on how to donate, please refer to the Monthly Staff Appreciation Schedule included in this newsletter.
