**LOST AND FOUND**

Please check the lost and found - anything not claimed by the end of the day Tuesday December 21st will be donated to charity!

Our silent auction is coming up on February 12th and we need donations to make this a success. We are asking that all families help in one of three ways:

1. **Volunteer to help. Sign up HERE.**
2. Ask your business to donate an item or ask your friends to get a donation from their business. These can be physical items or gift certificates... EVERYTHING helps and everything is auctionable!
3. While you are out shopping buy a gift certificate or gift card and donate that to the auction.

The silent auction has historically been a really fun night for staff and families to come together, have a few drinks and snacks and bid on some great donations to raise money for our amazing school. Thank you for your help in making this a success again this year!
