\*Longevity Step

For the 2002-2003 school year, the Board of Education voted to have steps 1-3 be the same amount on each lane.

Board increases and stipends are granted at the discretion of the Board of Education and included on each step.

Board increases and stipends will remain unchanged unless acted upon by the Board of Education.

Board Increase \$600 granted July 2013

Board Job Stipend \$5,000 granted December 2019

The Legislative increase will be given to those employees that meet the requirements in the passed legislation and qualify on the State Legislative Increase CACTUS report.

The Legislative increase will be included on the salary schedule as long as the legislature continues to fund the increase.

Employees earning a PHD or EDD will receive a \$1,000 stipend, paid on a voucher at the end of the contract year.

**Notes:**

Those that remain on the Legacy Teacher schedule will be notified when it benefits them to shift to the Certified Instructional Stipend schedule.

Employees currently on this schedule will be given the option, at their discretion, to move to the Certified Instructional Stipend schedule.

When steps, lanes and a percent on the base are given to the Certified Instructional schedule, the Legacy schedule will receive the same.

This is a grandfathered Legacy schedule, and no new employees will be added to this schedule.
