Morning Drop-Off

- Students will go directly to the *cafeteria* from 7:40 AM until 8:05 AM and be supervised.
- Please note: for the safety of students NO PARENTS OR SIBLINGS MAY BE IN THE CAFETERIA BEFORE SCHOOL PER DISTRICT POLICY.
Morning Drop-Off

- Plan a pleasant, positive, but quick “good-bye” to your child before school each day.
- In our experience, this is the most helpful with students who are anxious or sad.
Restroom

- Please have your child use the bathroom before school each morning.
- Make sure they can work their own zippers, belts, and buttons without adult help.
- Classrooms do not have bathrooms.
- If students need to use the bathroom during instruction, they are allowed to go in pairs.
Shoes/shoe laces

- Please **practice with your child how to tie their shoe laces** due to their safety while playing/running.
- We are under construction and due to health concerns we strongly encourage for your child to quickly learn how to tie their shoe laces.
- Also we strongly encourage to use **Slip-On or Velcro shoes** until students can tie their shoe laces independently.
School Supplies

- A regular sized backpack (preferably with no wheels) will help organize school work and school communication.
- Your child will **not** need to bring school supplies.
- Please keep all personal belongings (toys) at home.
Labels

- Please label all jackets, sweaters, lunchpails and backpacks with your child’s first and last name.
